His worship called the meeting to order in a very few words. The meeting, he said, was to be of a patriotic and religious nature and no speeches were to be allowed. Cobalt, Ont., July 20 .- The Cobalt Miners' Union at a special meeting, held in the Grand Theatre here this afternoon, decided to strike on Wed-neaday at noon in the event of no settlement of the dispute being arrived at before then. The meeting endorsed the strike vote unanimously, and it was only the arguments of the executive that prevented a large number of the miners from walking out to-morrow morning. The delay was stanted to permit an arrangement being made with the mayors of New Liskeard. Fasken, president of the Nipising Mining Company, were in town yesterday in connection with the impending strike. The union will no-tify the government of its willingness to work the mines to capacity should the government take them over. The surplus, in this case, would be devoted awards paying off the war debt.
