A stockholder is a partner, and is entitled to full information as to conditions at a mine. If they are unfavorable, the small stockholder has just as much right to know it as the holder of a large block. If conditions at the mine are favorable, but for some reason it is not deemed advisable to stope out ore, but instead to do necessary development work, then the management should notify the stockholders to that effect, so they understand why shipments decrease or cease temporarily.

A BAD COLD SETTLED ON THE LUNGS

throat, the lungs, and the bronchial tubes, are, in the beginning, but coughs and colds, and failure to take hold at once and get rid of them will cause many years of suffering.

Dr. Wood's Norway Pine Syrup contains all the lung healing virtues of the pine tree and will certainly cure all coughs colds and lung troubles.

Mrs. Jas. McDowell, Langton, Ont., writes: "In November, 1905, I caught a bad cold that settled on my lungs, so I got two bottles of Dr. Wood's Norway Pine Syrup, and used one and a half of them and by that time I was cured. I laid the balance of the battle sure of the battle su ance of the bottle away for future use. A few days after our eight mouths' old baby
