Dethroned and Banished by Paine's Celery Compound.

Mr. A. Budd Suffered 35 Years ALL THE NEWS OF THE WORLD. From Dyspepsia.

Now Well, Hearty and Strong.

It is freely admitted by physicians and all others who have had experience with Paine's Celery Compound, that it is the only medicine which can dethrone and completely banish that terrible enemy known as dyspepsia. It is a great mistake to imagine that this demon of disease can be banished eral waters, pepsins or bitters. These preparations and concoctions may give short respite from pain and suffering; but to effect a pesmanent cure a medicine is required that will strengthen the nervous system and remove the cause of the digestive

Paine's Celery Compound goes directly to the root and seat of the disease; it opens up the sewers of the body, and removes the waste matters that have so sadly interfered with nutrition. It does the great work without lessening the failing strength of the sufferer, and has not the injurious effects of the common cathartics that irritate and weaken every part of the system. Paine's Celery Compound en riches and cleanses the blood, makes bone and muscle, supports and braces the nerves, gives perfect digestion,
