SEEKS PROSPECT OF MT. PLEASANT LINE

The Ratepayers' Association Chairman Pleased With Visit to Commission.

NORTH TORONTO

The regular meeting of the Mount Pleasant Ratepayers' Association, called for last night in the Hodgson School, failed to materialize, there being only seven present at nine o'clock. Mr. Barton, the president, however, gave a report on the recent visit to the transportation commission regarding the proposed line from Mount Pleasant road.

He stated that while the commission would make no definite announcement, it was made quite clear that Mount Pleasant road was the only feasible road on which to build a line east of Yonge street. Another point was the matter of bringing the line along Morton street to St. Clair avenue to Yonge street, or continuing the line south and thru Rosebank. The latter plan was adopted.

It was stated, some arrangements will have to be made with the C.P.R. for the crossing of their tracks. Mr. Barton expressed himself as being very well satisfied with the result of the visit.

The parties interested in the formation of the new Glebe Manor Bowling Club have been meeting at the club since the east end of Belvidere drive, also negotiations for the same have not yet been completed. It is understood that a meeting will be held at the club on Thursday, Nov. 4th, at 8 p.m.
