## ZIONIST FINANCIAL CAMPAIGN STARTED

**Fund Wanted for Resto-  
ration of Palestine as  
Jewish Homeland.**

"While our campaign for \$500,000 is not being conducted on the whirlwind system, it is being conducted along the soundest business lines," said an official of the Palestinian restoration campaign committee to The World yesterday afternoon. "Reports coming in from Brantford, Paris, Ont., London, Ont., and other provincial centres are most encouraging." It was stated that all the important Jewish business men's organizations and the synagogues in the province were contributing freely their time, energy and money toward this campaign, which was being conducted to enable Palestine to be restored to the Jews. Mrs. J. Selick is chairman of the campaign in Toronto and with her is a committee of four hundred men and women. A house-to-house campaign is being made among the Jewish community, but not among other sections of the social fabric in the city, although contributions will be gladly accepted from other sources. So said a member of the committee yesterday afternoon.

M. Geiber and S. Kronick are treasurers in Toronto for the campaign, and M. J. Slonin is the Dominion organizer. Ex-Ald. L. M. Singer is the chairman for Ontario. The \$500,000 will be devoted to the conservation of the water supply in Palestine, to the extermination of malaria in that land, to the development of agriculture there, to reforestation, to the institution of universities, and in a general way to the advancement of the best interests of the Jews in their own land.

## Eyes Inflamed?

If your eyes are inflamed, weak, tired or overworked; if they ache; if picture shows make them feel dry and strained, get a bottle of Bon-Opto Tablets from your druggist, dissolve one in a fourth of a glass of water and use as an eye bath from two to four times a day. Bon-Opto allays inflammation, invigorates and tones up the eyes. Note: Doctors say Bon-Opto strengthens eyesight 50 per cent. in a week's time in many instances. G. Tamblin and others.

## INSPIRED TALK TO THE BAPTISTS

Full of inspiration to Baptists in Toronto was the address upon "The Church's Brotherhood," delivered by Rev. R. Goodbody, of College Street Church, yesterday morning at the close of the 46th annual meeting of the Toronto Association of Baptists Churches held at Century Baptist Church.

Moderator and vice-moderator for the Toronto churches the evening twelve months will be Rev. Dr. W. T. Graham and Mr. Charles Senior, Professor William G. Findlay will officiate as clerk of the association, and H. G. Hawkins and W. A. King will be the auditors for the coming year. Other officers were elected as follows: Representatives elected were: Dr. J. G. Brown for foreign missions; Rev. A. R. Park, home missions; Mr. Hugh McBurn, western mission board; J. R. Turnbull, Baptist Young People's Convention; J. G. Gerrard, Sunday school board; Rev. D. A. Hackett, grand lodge; and B. W. Merrill, convention representative executive committee. The Baptist Young People's Union of America will hold their 49th annual convention in Toronto from July 1st to July 4th.

## THURSDAY QUIET AT THE CITY HALL

A large number of citizens apparently assumed that the city hall staff would take a holiday yesterday. That seems the only explanation of the fact that there was no rush to pay taxes, although today is the last day for receiving income under the discount clause. Some of the cashiers were kept busy most of the day, but there were no lines waiting in front of the windows as has been the case for several days past. The staff is preparing for a big rush today.

## FIRE DESTROYS SHACK.

Fire broke out in a one-storey frame shack in the rear of the Union Station at yesterday, causing a loss of \$1,000. The cause of the fire is unknown. The shack was owned by Peter Lyall, contractor, and the loss is \$500 to contents and \$500 to the building. Boys lighting a bonfire in the rear of 193 Dundas street, started fire which did \$500 damage before the firemen put out the blaze. Children playing with matches yesterday afternoon in a house at 79 Picketing street, started fire which did \$75 loss.

## HONOR KING GEORGE AT THE HEARTHSTONE

Toronto honored the advent of yet another birthday of Good King George, not by fanfare of trumpets but by the gentle solace of home sport and recreation, all the schools and banks closing down, and some of the others, too. However, the Toronto Hydro Commission and many other concerns kept at their appointed tasks with royal fortitude. Fraternal and secret societies generally refrained from parades, but the Masonic Order celebrated the occasion with the solemn token of presentation to the honored war workers of its members of commemorative gifts. General Sir Arthur Currie, principal of McGill University, making the presentation. The churches were quiet in the main, and none but the Baptist denomination held any meetings, this church holding its forty-sixth annual convention for Toronto.

## BUILDING PERMITS

The city architect's department had a busy day yesterday, in spite of the fact that business generally took a day off. Permits were issued for dwellings, stores and garages, among them the following: William Brant, dwelling, north side of Lansdale road, near Oriole road, \$3800; Robert Aspinall, dwelling, northwest corner Lansdale avenue and Rosemount avenue, \$5000; W. S. Grimshaw, pair semi-detached residences, west side of Boon avenue, near Morrison avenue, \$7000; L. Hollows, three stores, north side of Danforth avenue, near Dawes road, \$15,000; W. A. Chappell, residence, 59 Sellers avenue, \$3000; T. A. Felstead, detached residence, north side Balliol street, near Mount Pleasant road, \$5000; Henry Nerlich, private garage, 78 Chestnut Park road, \$6500; Thomas Kernick, dwelling, 311 Kingswood road, \$5000; E. Faw, dwelling, 25 Fairmount crescent, \$4500; F. G. Smart, pair semi-detached residences, 498-500 Woodbine avenue, \$6000.

## REPLY TO J. C. SPIERS BY CATHOLIC REGISTER

"Non-Catholics, whether baptized or not, are under no obligation to observe the Catholic form of marriage" (No. 1,099, Roman Catholic Code). The above clause in the canonical law of the Roman Catholic Church is quoted by The Catholic Register to justify the stand taken by the church respecting the most sacred of the sacraments. This is quoted in reply to a recent statement alleged to have been made by Rev. J. C. Spiers to the effect that the Roman Catholic Church did not consider Protestants properly wedded, in other words did not countenance Protestant marriages. Says The Catholic Register: "This is an utterly false statement of fact in a matter about which Rev. J. C. Spiers could get first-hand information in a two-minute talk over the telephone with a priest. He would not treat Hottentots with such disregard of the truth."

## No More Illuminated Signs Till Power Shortage Remedied

Because of the shortage of power, the board of control recommends to council that no more permits be issued for the erection of illuminated signs, until the needs of the manufacturers have been provided for.

## DE LA SALLE ALUMNI BANQUET.

The first annual banquet of the De La Salle Alumni Association was held yesterday afternoon at the King Edward Hotel, with close to three hundred graduates and friends of the institution in attendance. Among the prominent ex-pupils present were Dean Harris, Monsignors Whelan and Kidd, ex-Controller John O'Neill, Hon. Manning Doherty, Hon. Lt.-Col. Bro. Rogation, Rev. Fathers O'Donnell, McGrand, Hoberlin, and the staff of the collegiate. A notable event of the gathering was the fact that it is just this week that Monsignor Whelan and Dean Harris are celebrating their twenty-fifth and fiftieth anniversary of their ordination to the holy priesthood, respectively. During the banquet a musical entertainment was provided by Master Jack O'Connor, one of the younger pupils of the school, who delighted the large assembly.

## W.C.T.U. HEARS JUVENILE JUDGE

**Convention Closes With Address on Parents' Care of Children.**

Judge Mott of the juvenile court was the chief speaker at the closing session of the W.C.T.U. Methods adopted by the court in regard to the children with whom it has to deal were touched upon. A psychiatric expert examines the child as to his physical and mental status and the social worker inquires into his home surroundings and history, all of these being considered in making an adjustment in regard to the charge for which the child is presented. That there is an impassable gulf between the normal and the abnormal child was pointed out by the speaker, and between the normal and the defective there are different grades—the dull, the retarded, the child who lacks confidence and others. Conflicts raised by conditions at home in the school or elsewhere have all their effects. "Don't blame your boy," said the judge, "and tell your boy or girl what they ought to do, not what they ought not to do." Judge Mott returned to the Big Brother and Big Sister movement, which he said was one of the best of the times, the members staying with those they took in charge to the last ditch.

## Approves Work Done.

Rev. Mr. Williams expressed hearty appreciation of the work of the W. C. T. U., and thought that great sympathy should be offered to the young people who come to Toronto and have to live in crowded boarding houses. He was glad that the "movies" were in business until something better is substituted, so that those who otherwise would have no place for recreation may have somewhere to go. A resolution moved by the Navy League pointed out that the question of Canada's naval policy was insistent, was supported by the W.C.T.U. It was announced that a \$100,000 campaign for the purpose of extending their building and boarding house so that it will accommodate 200 girls will be launched. The amount of \$15,000 is in hand. The report of the Willard Hall Home gave receipts at \$25,325.15, expenses \$23,372.14, balance in hand \$1,953.74. Sixty-three superintendents and assistants were appointed. The "V" girls served tea at the close of the business meeting. Mrs. Rogers contributed a vocal solo.

## THOROLD IS GROWING.

St. Catharines, Ont., June 3.—The assessors returns for Thorold show a population of 5,007 an increase of 364 over last year.

## BIG BROTHERS ARE CONVENING HERE

"Big brothers and sisters" of the helpless and downtrodden members of the social fabric are holding a convention at the King Edward Hotel. The question of mendicants will undoubtedly be brought up at the convention. This is undoubtedly one of the great problems of this organization, in view of the increasing condition of want, noted in the city and elsewhere. Many returned men are unable to obtain employment, partly because of their condition, and others again unable to obtain work because of the lack of demand for ordinary unskilled work.

## PEACE AMONG MUSICIANS.

The military bands who, according to the secretary of the Musicians' Protective Association objected to giving park concerts if "mushroom" or non-union bands were also engaged, have apparently reconsidered the matter. The Queen's Own played on Wednesday night, the Salvation Army band which was classed as "unfair," played last evening, and the Grenadiers will provide the music tonight at Ramsden Park.

## WAITERS' UNION OUT FOR BLOOD

**Want Better Conditions, Better Hours and Better Pay.**

Waiters and cooks, well organized, have presented a schedule to the employing bodies in Toronto relating to better wages, to the need of better sanitation and shorter hours. They are demanding \$18 a week and board. Up to date the employers, the largest concerns in the city, have vouchsafed no reply, and if none is forthcoming by Tuesday, June 15, the union may be forced to take necessary action. This was the gist of a statement made last night to the Toronto District Trades Council, when Jack Russell, a returned soldier, one of Britain's "Conquered," and an official of the union, asked the co-operation of the Trades Council in the fight of the union against both intolerable conditions and very long hours.

**ONLY TABLETS MARKED  
"BAYER" ARE ASPIRIN**

Not Aspirin at All without the "Bayer Cross"

The name "Bayer" on Aspirin is like the 14 Karat on gold. It positively identifies the only genuine Aspirin. The Aspirin prescribed by physicians for over nineteen years and now made in Canada. Always buy an unbroken package a few cents. Larger "Bayer" packages. There is only one Aspirin—"Bayer"—You must say "Bayer" Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monopropionic Acid of Salicylic Acid. While it is well known that Aspirin means Bayer Manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."
