NOTE.—The following list should have been inserted among the Subscriptions to the SAINT JOHN LADIES' BIBLE ASSOCIATION, but was overlooked until after that part of the work had been printed off.—The amount of the Subscriptions in Mrs. Estey's list, (owing to ill health,) not having been all collected when the Treasurer's Account was made up, is not credited among the Treasurer's receipts for 1840, but will appear in the next account. The same remark will apply to Mr. Bunting's list for part of Queen's Ward, and to the subscriptions usually collected by Mr. Bond in Carleton: neither of which, however, have been inserted in the present report.

Collected by Miss Willett, for the year 1840.
