Before Mr. Justice McKeown recently, William Murray, K.C., of Campbellton, presented a petition from George E. Mercier, one of the directors of the Restigouche Woodworking Company, praying that the company should be wound up, on the ground that the factory had been destroyed by fire and nothing had been done by the other directors to carry on the business or to account of the proceeds of the sale of the real estate had been made. He alleges insolvency of the company. Judge McKeown granted an order for a hearing for Tuesday, September 21, when all interested may appear and show cause why the company should not be wound up.

CAPT. PITT OF FERRY FAME IS NO MORE

Died This Morning in Hospital Where He Had Gone Because of Severe Injuries Received on Duty.

As a result of injuries received while in the performance of his duties as a public servant, William A. Pitt, the well known ferryman of Gondola Point, Kings county, passed away at the general public hospital early this morning.

No resident of Kings County was more widely known or commanded greater respect than Captain Pitt. For the past thirty-one years he had conducted a public ferry between Gondola Point and Reid's Point, accommodating those who wished to cross at any hour of the day or night. He was constantly on duty and was very popular and energetic and will be greatly missed.

He was a son of the late William Pitt, of the old Loyalist family at Kingston, and was almost seventy years old, his birthday being in November. During his thirty-one years as a ferryman he built and operated a number of boats, among them the Adino Paddock and Masquerade, plying between Rothebay and Reid's Point, and later adopted a cable ferry with gasoline power between Reid's Point and Gondola Point.

It was in connection with this latter system that he received the injuries which resulted in his death. While attaching a cable to the engine his clothing became caught and he was drawn under the wheel and crushed between the wheel and the deck. His shoulder and neck were severely injured, and he had to be carried to his home. He was brought to the hospital, where everything possible was done for him, but he passed away this morning.

He was married to Miss Paddock, and she, with two sons and one daughter, residing at home, and the daughter is Mrs. George Chase, of this city.

Mr. Pitt was a prominent Orangeman, being a past master of the lodge at Gondola Point. He was also a great temperance worker, and also took part in all matters of public interest.

FOUND DEAD BY HIS FATHER

Frederick Belyea, of Britain Street, Lay on Floor When Father Called.

Frederick Belyea, aged about forty, was found dead this morning at 11 o'clock on the floor of his home, 147 Britain St.

The discovery was made by his father, Mr. Belyea, had been ill for some time and was under treatment, and apparently getting better and his wife had gone to the country to spend the day.

On Sunday night late he went for a walk and to renew his medicine. This morning his father went to see him and was shocked to find him dead on the floor.

There will not be an inquest as Coroner Berryman states that there is no doubt that the man died of a weak heart.

SUPERIOR PAINLESS DENTISTRY!

There is a world wide cry against the dentists that they torture their patients. Those of strong physique submit and endure the agony. With a second class this is simply impossible, and thousands of teeth are neglected and lost even though the patients may be able to pay for our most skilled services. Then there is a third class who, after months of mental torture in anticipation, finally come into our hands, and, with nerves strung to a hurtful point, pass through the ordeal, but at what a cost! We do not sufficiently consider the consequences of shock in the dental chair, yet undoubtedly many suffer for months and even years from injuries to the nervous system received whilst in our hands.

The greatest duty of our profession today is to discover and adopt a mode of painlessly performing our operations.

NOTE—The above is an abstract from a paper read by an eminent dentist of New York City before a society of dentists in Philadelphia. The famous Hale Method of painless dentistry, for which we are sole agents for Canada is the best Method on earth in the world today.

THE CHATHAM PULP WAGES DIFFICULTY

Chatham, N. B., Sept. 13.—(Special)—A considerable number of employees of the Miramichi pulp mill were paid their wages on Saturday, but it is said that the management will not pay the strike leaders or those who have taken legal action to recover their wages until the expiration of 90 days' time, allowed by the law. Already many families are on the verge of want, and unless these men get other employment, their distress may be acute.

A. W. COVEY JUNIOR VICE PRESIDENT

That the M.P.A.A.A. is not ill-disposed toward clean amateur sport in St. John is shown by the result of the annual meeting held in Halifax on Saturday night. For three years past the Every Day Club of this city has worked in harmony with the athletic organization and conducted clean amateur sports. This year the club affiliated with the M.P.A.A.A., and on Saturday night its secretary, A. W. Covey, was elected junior vice-president. This city now has a voice in the decisions of the M.P.A.A.A., and a local representative to whom matters of local interest may be referred.

SCHUMANN-HEINK SUBSCRIPTIONS

From all over New Brunswick subscriptions are fast coming in for the proposed Schumann-Heink appearance in October. Even from Halifax, a number are expected, as St. John is the only city east of Boston where the opportunity is offered. Mr. Spencer announces that the list will remain open all this week at Landy's music store, and that definite announcement will be made next Saturday.

FATHER OF HON. MR. TURGEON DEAD

Quebec, Sept. 13.—(Special)—Damas E. Turgeon, father of Hon. Adair Turgeon, speaker of the legislative council, died yesterday at home in Beaumont, County of Bellechase. He had reached the venerable age of eighty years and six months.

FUNERALS

The funeral of Michael Kelly who was killed in an accident on the steamer Orithia on Wednesday last was held yesterday afternoon from his late residence, Broad street, and was largely attended. Members of the Longshoremen's Association walked in a body. Service was held in the church of St. John the Baptist by Rev. J. W. Holland and interment was made in the New Catholic cemetery.

WATER ASSESSMENT

At a special meeting of the water and sewerage board on Saturday the water assessment for the year was passed and the statement filed with the common clerk. The statement shows an increased valuation of \$48,390 in real estate and \$179,600 in the valuation of stocks in trade. The total assessment is \$122,080.22 which is an increase of \$22.45 over last year.
