Balance to Credit, May 1st, 1873.....			104 15
Balance of debt, May 1st, 1874.....			\$64 21

The aggregate accounts thus shew—Income \$998.16 and expenditure \$1166.33: and these accounts for the first time shew a balance against the Society. Though the amount is small, namely, \$64.21, there is occasion for the request to the friends of the Home to supply what is needed. This request, which is allowed to rest
