THE "SCOTT-FIELD" SPORTING RIFLE.

The above cut represents the new "Scott-Field" Rifle, manufactured by W. & C. Scott & Sons, Birmingham, England, for general sporting purposes. This Rifle has the "Field" patent action, which is considered by all sportsmen who have seen it to be the best ever invented. The fact that Messrs. W. & C. Scott & Son and John Rigby & Co., of Dublin, have adopted the "Field" action for their new Sporting and Target Rifles, is proof positive that, in the opinion of these celebrated gun-makers, the "Field" is superior to all other actions now in use. The "Scott-Field" Sporting Rifle is 44 cal., sighted up to 300 yards, and can be had either with plain or pistol-grip stock. No Rifle in the market can approach it for simplicity, accuracy, convenience, durability and safety.
