

BOY SCOUTS' CAMP

CHIPMAN, JULY 31

Plans and Orders For Provincial Gathering

SEND IN NAMES AT ONCE

The Articles Which Will Be Required—Instruction in Scouting is the Object of the Camp—Lt. Col. Wedderburn is Camp Commandant

The time for the instruction camp at Chipman is drawing near, July 31st. A great deal of the success of the camp depends upon the promptness with which the troops going will register with the Provincial Secretary, and thus give time for the final arrangements which are many. It is therefore, urgently requested that those who have decided to go will be so good as to send in their names and numbers going at earliest possible moment to D. MacGuire, Macadam, N. B.

As indicated in the circular sent out the following articles are necessary for the comfort of the troops. Tents enough for all scouts from the same district, each scout to bring two blankets or quilts, two plates, cup, saucer or deep bowl, knife, fork, tea spoon, table spoon, also tooth brush, comb, two towels, two handkerchiefs, extra pair of stockings, extra pair boots, or rubber sneakers, extra suit underwear. The tents would be the better for being provided with a waterproof ground cloth, but this is not absolutely necessary as the camp site is dry and sandy. Each troop or part of troop going should bring a long handled axe weighing about three pounds for getting firewood, also a lantern for each tent.

This covers the necessary articles. It is hoped that all scouts will attend this camp as it is different from the usual camp in having instruction in scouting as its object. The training received cannot be duplicated in the individual troop and the impression made in scouting is not to be found except where such numbers are. The friendly rivalry that must exist between troops from different parts of the country, expert instruction given by men who are masters of their subjects, the discipline that will be maintained, and the physical benefit accruing from the open air exercise will all combine to make a lasting impression on those who attend. The following are the Standing Orders of the camp, and an outline of the work to be done:

Following are standing orders for the instruction camp to be held at Chipman for training Boy Scouts, July 31 to August 14.
