economy

Bread is Biggest Food Value—
You don't have to be a sedate, old housekeeper to grasp the truth—

Bread is your Best Food—
Eat more of it

Children instinctively love and prize Bread for its delicious, full-flavored sweetness.

Older folks prize it even more for its wholesome nutritiousness, and the fact that it agrees with everyone, and with other foods as well.

Eat more Bread—combine Bread freely with other foods, and you'll enjoy richer, more tempting meals at much reduced cost. All thrifty Canadians are now asked to eat Bread.

BUTTER-NUT BREAD
—is Best of all Breads, just as Bread is Best of all foods. Ask your grocer.
