FINE ENTERTAINMENT IS NEW PROGRAMME AT THE OPERA HOUSE

Five Acts and All Scoring Heavily
in One of Best Bills in Long Time

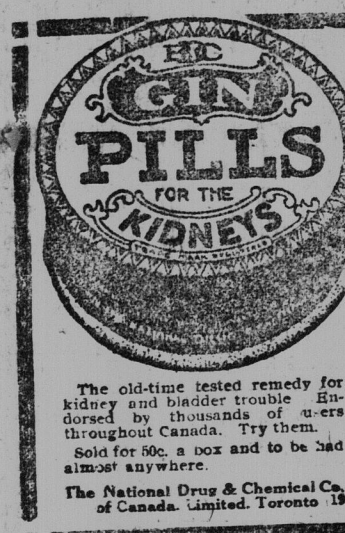

The new Opera House vaudeville programme opening yesterday was easily one of the best seen here for a long time. Every one of the five acts scored heavily in popular favor and were well applauded. It is a well arranged programme with a little bit of everything to suit the taste.

Stanley, a man who did difficult feats of balancing and tumbling, opened the bill, following the pictures. His stunts were doubly interesting from the fact that, unlike most acrobats, he performed upside down, standing on his head, up straight and held their breath until he came back to terra firma. There has never been an act just like this in local stage and well deserved the hearty rounds of applause at the finish. Ryan and Moore, a bright pair of comedians, followed with a series of sketches. Both had good voices and attractive personalities. They were likeable from the start and gave the audience enjoyment all the time they held the stage.

In a peculiar looking trunk boat, one might call it, Bob Tenney came sailing on next. A well equipped craft he had, even to wireless apparatus, and from its capacious depths he took several quaint musical instruments, on all of which he was a good performer. Between selections he told a lot of funny stories and gave witty remarks that had the audience in roars of laughter. His partner, a very attractive young miss, sang some good songs, was a stunning comedienne, and added much to the quality of the offering.

The card for the next act said Sammy Duncan. At any rate, Sammy is a real Scott, kilted and all, and for seven minutes he treated the audience to songs and stories that caught on quickly. One of the real hits of the evening was Sammy and everybody liked him.

A real class offering came for the closing number. Jack Martin and two attractive 20-somethings in a potpourri of high class vocal numbers and exclamation of modern dancing tropes. The setting was elaborate, costuming delightful, and the offering right through was well with distinction and with an appeal to those who liked good things. One of the ladies is a soprano soloist and the two solos were enthusiastically received. The act made a fitting close for a real good show.

Council Agrees To Proceed With Paving Plans

Prince William, Union, German and Duke Streets Included—
Want Former Grant for Playgrounds

On recommendation of Commissioner Fisher, the city commissioners yesterday agreed that specifications should be prepared and tenders called for the paving of Prince William street, Union street and German street, which are to be included in the programme submitted recently, to cost in the vicinity of \$80,000, also for a new playground in Duke street. Bonds are to be issued to cover the expense.

The request of the school board that the commissioners and asked that the grant to the Playgrounds Association this year be, as before the war, \$10,000. It was reduced to \$2,500. He also asked for unified control of the playgrounds.

The application will be considered when the question of grants comes up. H. Nicholas, mill street, whose store was wrecked on the night of the armistice celebration, again submitted a bill to the city for \$1,500.75. He pleaded that the loss was more than he could stand. Previously, however, the city solicitor had advised the city was not responsible, and it was considered unwise to establish precedent, although every sympathy was felt for Mr. Nicholas.

The report of the committee of the whole was adopted, granting wage increases in the ferry department, and also recommending that Messrs. A. J. Toulas, contractors for work at Lake Fitzgerald, be paid an additional \$1,000 of the amount held back from them by the city.

A communication from the Imperial Munitions Board informed the mayor that there were in the city 4,481 munition boxes at the Phoenix foundry which would be handed over to the mayor for distribution among the poor for kindling. The matter was placed in the hands of his worship and some charitable institution will be asked to take charge of the distribution.

J. S. Wilson, president of the Canadian Reconstruction Association, Toronto, communicated with the council, and in view of the unemployment which will be occasioned by changing from war to a peace basis, the city should start at once all public works and undertakings put off on account of the war. It is necessary that the unemployment be done away with as much as possible.

Commissioner Fisher referred to several public works in the city, delayed by the war, which, he said, could be started very soon.

The minister of labor informed the council the presence in the city of J. P. McD. Quirk to establish labor bureau. It was the opinion of both the provincial and federal governments that an office should be opened here.

In connection with the letter his worship said that he had been interviewed by Premier Foster in regard to the matter and asked to provide an office. Personally he believed the city should bear this slight burden in view of the work being undertaken.

On motion of Mr. Bullock, seconded by Mr. Jones, the matter was referred to committee for discussion.

A letter from the Canadian Imperial League, and which was referred to the committee of public safety, as to the appointment of the chief of police to a returned soldier and a citizen of St. John.

Applications for grants were received from the Board of Associated Charities, the Park Memorial Fund, and the Society for the Prevention of Cruelty. A bill for \$12,286.46 from the Workmen's Compensation Board against the department of public works was passed for payment.

On recommendation of Mr. Jones it was agreed to refund \$10 to J. E. Cornwell of West St. John for sewerage work he had done to do but was unable to complete.

Bolshevism Must Go, Says Sisson

The business and industrial world would be turned upside down, investors' interests would be wiped out and labor would find its present rights and privileges gone if Bolshevism should prevail in the United States, Francis H. Sisson, vice-president of the Canadian Trust Company of New York, declared Friday at Boston in warning business men to guard against chaos and ruin.

"Bolshevism must be stamped out," said Mr. Sisson, who spoke at a meeting held under the auspices of the Massachusetts Chamber of Commerce. "It is a far greater menace than most of us have any idea. Private ownership will have to fight for its very life."

"We business men of America are standing today in the front line trenches of private ownership of property, of freedom and democracy in business and government. Let us not be deceived into giving ground by the specious promises of visionaries or demagogues."

"Labor itself should be on its guard to forestall such possibilities, for labor has as much at stake and is just as jealous of our individual and collective social organization. Capital and labor

ALMOST BLIND FROM HEADACHES

It is hard to struggle along with a head that aches and pains all the time. Headache seems habitual with many people; indeed, some are seldom, if ever, free from it, suffering continually, and wondering why they can get no relief. In nine cases out of ten, persistent headaches are due to poisoned blood, the blood being rendered impure through some derangement of the stomach, liver or bowels.

The reason Burdock Blood Bitters makes permanent cures of all cases of headache, is because it starts the organs of elimination acting freely, and the poisons and impurities carried off from the system, purified blood circulates in the brain cells, and instead of pains and aches, there is revived mentality and bodily vigor.

Mrs. Geo. Monck, Arden, Ont., writes: "I have been troubled a great deal with sick headaches, and at times would almost go blind, and have to go to bed. I tried different kinds of medicine without any benefit until I was advised to use Burdock Blood Bitters. After taking it, I have not been troubled since."

have shared equally in the profits of the war, as they have shared alike in its burdens. In the same manner the responsibility of the reconstruction of the peace basis will fall equally upon all citizens, whether they derive an income from invested capital or from daily toil.

"Self-interest, as well as patriotism and common sense, demand the exertion of all and sound judgment, not only by labor leaders but by each individual worker, in order that the United States may preserve its present prosperity."

It is likewise to the advantage of capital and business to help labor gather the fruits of industrial victories."

With the Fingers! Says Corns Lift Out Without Any Pain

Sore corns, hard corns, soft corns or blisters on the fingers are a nuisance, but they can be lifted out without any pain. This is the only reliable method. It is claimed that at small cost one can get a quarter of an ounce of frezorez, a powerful solvent, which is sufficient to rid one's feet of every corn or callus without pain or soreness or the danger of infection.

This new drug is an ether compound, and while sticky, dries the moment it is applied and does not inflame or even irritate the surrounding tissue.

This amazing solvent of corns and blisters, when used as directed, will pull the present high-heeled footwear is putting corns on practically every woman's feet.

Ex-Mayor's Will Modified by Codicil
Reducing Wife's Share

The will of Robert A. Van Wyck, first mayor of the present five borough city of New York, who died on Nov. 14 last in Paris, where he had lived for many years, gave half his estate of more than \$2,000,000 to his wife, Mrs. Kate E. Van Wyck, who married him after she had divorced John C. Hertie, former commissioner of accounts.

After an accounting and two years after the will was drawn, reduced Mrs. Van Wyck's share of the estate to one-eighth, instead of half, the estate.

She will still, after giving half the estate outright to Mrs. Van Wyck, left to her in trust, and after her death to her daughter, Ethel Grace Van Wyck, and after the latter's death the principal goes to Augustus Van Wyck. Another share is left to Mrs. Van Wyck in trust, and the principal to the testator's brother, and the fourth share goes in trust to Mrs. Van Wyck, then to her daughter, Kathryn L. Van Wyck, and finally to Augustus Van Wyck.

Mayor Van Wyck left \$12,000 in cash to his brother, and an equal amount to his sister, Lillie Hoke, now dead. Mrs. Van Wyck's \$4,000 share of the estate was given to her in trust, and after her death to her daughter, Ethel Grace Van Wyck, and after the latter's death the principal goes to Augustus Van Wyck. Another share is left to Mrs. Van Wyck in trust, and the principal to the testator's brother, and the fourth share goes in trust to Mrs. Van Wyck, then to her daughter, Kathryn L. Van Wyck, and finally to Augustus Van Wyck.

Bequests of \$4,000 each are left to the children of deceased brothers and the sister.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

If Peevish, Fervish and Sick, Give
"California Syrup
of Figs"

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be one of which its members may well be proud. With a list of steadfast, earnest men as its leaders during the century of its work it has prospered in all its undertakings, contributed in the last thirty-four years about \$186,000 to the Canadian Bible Society, and, three years ago, purchased the present comfortable Bible house in German street. During the war it distributed 10,000 "kiddie" Testaments and in the four years previous to the war circulated between forty and fifty thousand copies of the scriptures in sixty different languages in the port of St. John each year. The present chairman, Judge Forbes, has held his office for more than fifteen years, and is to be congratulated on his admirable supervision of its interests, and is to be looked to to carry it forward in the present time of increased endeavor with all the cheer and vigor of his past.

The chair was taken by Hon. Sir J. Douglas Hazen, the devotional services were conducted by Rev. F. S. Dowling and Rev. H. A. Goodwin, and the benediction was said by Rev. Henry R. Boyer, the secretary of the district. Addresses were delivered by the chairman, the Lord Bishop of Fredericton, Rev. Dr. H. T. Wolfe of Wolfville (N. S.), and Rev. Dr. W. B. Cooper of Toronto.

The fine music was a special feature of the service.

The secretary, George Henderson, then presented the chairman the following resolution, moved by Rev. G. B. MacDonald and seconded by Rev. G. A. Kuhring at the afternoon meeting, was adopted by acclamation:

"Whereas, by the blessing of Almighty God, a service of devotion and righteousness of the cause of the Allies, and Whose power has vindicated it, the great war which has so distressed the world for the past four years, has been brought to an end.

"Therefore resolved by us, that we hereby express our gratitude to God and our appreciation of His mercy in bringing to the glorious victory whereby the liberties of the world have been preserved and righteousness has been made triumphant."

(REV.) G. B. MACDONALD.

Sir Douglas Hazen, having expressed his appreciation of the honor of acting as chairman at a service of devotion and righteousness, referred to the wonderful progress of the New Brunswick Bible Society since its formation under the presidency of Dr. Burns, pastor of St. Andrew's church. He said the society chose its presidents well as their terms of office and the progress of the society. In particular he mentioned J. M. Wilford, M. P.; the Hon. Robert Forke and Judge Forbes. He said one hundred years of successful endeavor was specially commendable in a young country and that the benefit which the society had conferred in bringing the word of God to many who would not have had access to it otherwise was impossible of estimation. He referred to the Canadian Bible Society in 1904, and said that the spirit of union suggested in a greater degree, the union of churches and the elimination of differences.

Secs Church Union Ahead.

He believed it not impossible that such a union could be effected and saw it tremendous advantages both spiritual and economical, and he thought the society should take up this problem. Other remarks which caught attention were the after-peace problems, the assimilation of immigrants in the country in such a way as to make good Canadian citizens and the reconstruction and rebuilding of the spiritual and social life and the quelling of the spirit of unrest. In all these fields the society could do much, and in one other field, the strenuous effort, the addition of Bible teaching to the curriculum of the schools.

There were 765 supper served at St. Peter's high tea and sale in the basement hall of the club last evening. The hall was crowded and the success of the bazaar has been secured. The door prize went to Mr. No. 1321. The ladies prize, a pair of kid gloves, for the bean game, was won by Mrs. Bernard. The prize, a box of cigars, was won by William, Carney, 19 Hawker street. The consolation prize was won by Mrs. Van Wyck. The tea and sale will continue this evening, also on Thursday with a grand finale on Friday.

Why Can't I Get to Sleep?

Thousands of people all over the country ask this question, but still continue to toss night after night on a sleepless bed, and it is impossible for them to get a full night's refreshing sleep.

Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system that it cannot be quieted except by the powerful use of opiates or narcotics. Or again, you have heart palpitation, and sensation of sinking, or perhaps you wake up in your sleep feeling as though you were about to choke to death, and the only way you can get relief is to sit up in bed.

To all who suffer in this way, Milburn's Heart and Nerve Pills offer an insurmountable boon. They bring back the much-needed rest by improving the tone of the nerves, strengthen the heart, enriching the blood and making the whole organization act in harmony—then you sleep as peacefully as a child.

Mrs. Jas. Latimer, 80 Leinster street, St. John, N. B., writes: "At night I could not sleep. I had to sit up in bed, my heart beat so fast. I was so nervous I walked up stairs I would get all out of breath. A friend recommended Milburn's Heart and Nerve Pills and after using two boxes, I can sleep all night and am not out of breath after waking."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Centennial Of Bible Society Is Observed

Eloquent Addresses Mark Public
Meeting; Judge Forbes Again Is
President

The centennial of the New Brunswick Bible Society was celebrated last evening by a stirring and inspiring service held in St. Andrew's church. The record of the society since the first meeting was held in the coffee house at the foot of King street in May, 1819, is one that cannot be too highly praised and one of which its members may well be proud. With a list of steadfast, earnest men as its leaders during the century of its work it has prospered in all its undertakings, contributed in the last thirty-four years about \$186,000 to the Canadian Bible Society, and, three years ago, purchased the present comfortable Bible house in German street. Health and Happiness

Women of today seem to listen to every call of duty except the supreme one that tells them to guard their health. Home duties, church duties, war activities, and the hundred-and-one calls for charitable enterprises exact hard women to overlook their own health, backache and female troubles are the inevitable result.
