NO MORE GRAY HAIR!
FINE NATURAL COLOR

Brought Back by Interesting New Discovery — Dandruff Killed

Ladies!—you whose youthful bloom is fast disappearing before the attacks of premature gray hair—why don't you bring back the faded strands to the color they were when you were 20? Science has made it easy—yes, and most certain and positive. All you need to do is to get a bottle of **Hay's Hair Health**. This refined and dainty preparation, which is found on the toilet tables of the most particular ladies in the country, applied to the hair easily, quickly and without fuss or annoyance—just as you would any other hair dressing. From the very start a remarkable change takes place—gradually, but surely. The gray and faded hairs, acted upon by the oxygen in the air, come back to the fine, brilliant dark color they were originally. Hay's Hair Health is not a dye. Its action is positively harmless. It does not irritate the scalp, which should be welcome news to the multitudes of men and women who fear dyes because of their known harmfulness.

Any one who wishes to do so may try it at the risk of the manufacturers. **Philo Hay Company, Newark, N. J.** Simply get a bottle from your druggist—25c, 50c, or \$1.00, and if you are not satisfied, the price will be returned.

London's Beauty Writers
Weekly Selections from Noted Beauty Experts Writing for the English Press. Simple and Effective Methods.

By **OLGA AMORRELL**, Special Correspondent, London, Eng.

Each week in this department I will endeavor, by carefully clipping from the London papers, to keep my Colonial readers informed on the latest and best advice of the London beauty experts. Owing to the persistent demand most London news papers and periodicals are now devoting much space to the serious consideration of beauty culture. Many of them employ high salaried and instructed methods most efficient for enhancing or restoring beauty of face and figure. I append herewith a few clippings of the ingredients mentioned could be obtained from Canadian chemists or druggists, so get them. Look out for more hints next week. I shall endeavor to keep right up to date.

Shampoo and Hair Beautifier.
You complain of brittle, faded hair. You will find that keeping the scalp clean and healthy is the most effective way to restore the natural beauty and softness. In selecting your shampoo avoid soaps or mixtures containing "free alkali." By dissolving a teaspoonful of stalfax in a cup of hot water you will have a mild, soothing, cleansing mixture that makes the head feel fine and removes all dust, dandruff, and excess of oil, leaving the scalp clean and pleasant, and ensuring a beautiful growth of long lustrous, curly hair.

Don't Shave Off Superfluous Hair.
Hair on face, neck or arms should never be shaved or clipped off, as that encourages its growth. The most effective method of removing the same time is perfectly harmless, is to mix a little powdered phemolite with water and wash the face with it directly to the affected surface. When this is removed in two or three minutes the hair will have vanished completely, leaving the skin quite smooth and soft. Since the virtue of powdered phemolite as a hair remover have become generally known, most druggists now supply this in convenient one-ounce jars.

For Falling Hair.
How often one hears the lament, "I have tried everything on the market, and my hair comes out in handfuls." Not so surprising either when you come to think it over. Hair tonics to be effective must be fresh, and not so earthly remedies, why every woman should not make her own lotion at home. The finest vegetable tonic I know of is made by mixing a packet of bonamint with ¼ pint of hair oil and adding sufficient water to fill a half-pint bottle. This lotion rubbed briskly into the scalp sets the hair roots tingling with new life, and will, if persevered with, give you back your "crowning glory."

Invincible Face Powder Substitute.
Face powder frequently is neither invisible nor harmless. Not only you

see it sticking out sideways, but its daily use is apt to coarsen the skin. It is more satisfactory to use a simple lotion made by dissolving a ounce of chemists in four table-spoonsful of water. This serves every purpose of powder and has the advantages of being invisible, non-injurious and more lasting. When the face becomes moist with heat or exertion, the lotion still clings, the skin appearing soft and peach-like all day long or all evening. The lotion is applied with the finger tips.

Supersensitised Hot Curling Iron.
Straight hair is becoming to be a few women and there's no cause for anyone looking homely and unkempt on that account. The smallest far the druggist sworn the curling iron because of the damage it does by drying and breaking the hair will be glad to hear that plain liquid will produce a far better and more lasting effect without any injurious result whatever. If just a small quantity be applied to the hair, a really clean tooth brush, a lovely curliness and natural wave will be evident in the morning, with no sticky or greasy reminder of the powder employed. A couple of ounces of liquid salerina, obtainable at any druggist, will prove a welcome addition to many a dressing table.

Capitulate Eyebrows and Lashes.
Those who would have luxuriant, dark, silky eyebrows and lashes, will be surprised at the results from applying a few nary meannies daily for awhile. Being perfectly harmless, no one need hesitate to try it. The smallest jar the druggist carries will do, so little of the meannies being required. It is a true eye-liner, and the eyebrows from which it is applied to the lash roots with thumb and forefinger.

PESTERED, HE SAYS, BY LOVE-SICK MAIDS

Worcester Pastor Asks Police for Protection—Life Made Miserable.

Worcester, Dec. 2.—Rev. Frederick Nicholson, pastor of the First Spiritual Church, has appealed to Chief of Police George H. Hill for protection against love-sick maidens and scheming mothers. For weeks, he says, they have made life unbearable for him by love letters, telephone calls and personal visits.

To substantiate his complaint Rev. Mr. Nicholson turned over a chief Hill a large package of letters, a door key and other things received by him recently. The police visited one home and advised that the attentions to the pastor should cease.

Rev. Mr. Nicholson last night emphatically denied statements that he had married a young Worcester girl, performing the ceremony himself. He said that his stories are circulated by people formerly associated with him in his work, but who now desire to project a spirit of animosity in his flock.

He refused to affirm or deny that he had appealed to the police once before for similar protection.

THE C. N. R.

Sir Donald Mann, in an interview in Toronto, predicts that the new ocean-to-ocean line of the Canadian Northern will be completed by the end of the year, whether the war continues or ceases. There was no good reason, he said, why delay should be permitted. The last yard of trackage will be finished in January, it is expected, at a point in British Columbia, where large forces are now working. The weather conditions will prevent further ballasting until spring, when this final process will be rushed to completion.

PIMPLES APPEARED ON HIS FACE AND HANDS.

The primary cause of pimples arises from the blood not being in a good condition. When the blood becomes impure you will find that pimples will break out all over the body, but more particularly on the forehead, nose and chin, and although they are not a dangerous trouble, they make you appear uncleanly both to your friends and yourself. What you need, when these pimples break out, is to get a real good blood purifying medicine such as Burdock Blood Bitters. One that will build up the system by cleansing the blood of all the impurities and poisons which cause the skin to break out in these eruptions.

Mr. F. A. McKenzie, Portage La Prairie, Man., writes: "Last summer I was all run down and unfit for work of any kind. All kinds of food seemed distasteful to me. Pimples appeared on my face and hands, and I seemed to grow worse every day. One day a friend advised me to try Burdock Blood Bitters. Halfheartedly I did so, and the results obtained were marvelous. I regained my health, I took on flesh, and in a short time the pimples and skin eruptions disappeared entirely; thanks to the healing powers of B.B.B. I freely recommend it to all sufferers."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

86 Pages of Personal Advice Free to Any Man

MY DEAR READER.

In the handsomely printed little book or private pocket compendium for men (containing 8,000 words and 40 half-tone photo-reproductions), which I publish and gladly forward by mail, free, sealed to any man anywhere in the world who sends me the coupon below, I have included certain parts that contain some very important advice or suggestions of a strictly private nature which, I believe, cannot be found in any of the Private Hygienic books for men that are now sold at high prices all over the country. It will thus be seen I have covered these little free books have now been sent to men who wrote for them, as I want you to do, and who live in all quarters of the globe. I publish this free book in English, Swedish, Danish, Finnish, German, French and Polish, but I always send the English edition, of course, unless otherwise instructed. Kindly use the little coupon.

SANDEN, AUTHOR.

In reference to my strength, I believe it is now most generally acknowledged that never before has the manly man stands back of all achievement in the world—a truth which any of us can easily verify if we but look about us with impartial eyes.

As a matter of fact, the man who is debilitated, unstrong and unenergetic cannot, for perfectly obvious reasons, expect to approach those real and masterful attainments which seem but a natural and easy accomplishment for him whose nerve force, brain power and manly strength are perfectly normal. Hence, while we acknowledge the debilitated, weakened man to be handicapped in every walk of life where real manhood counts, yet it would indeed be cruel of me to have so state the fact in public print were I not of the honest opinion that there is every hope for the unmanly man to restore himself to a state of health and vigor, if he but clear his mind of abnormal fear, and then make a fair, square effort to redeem himself.

There are two specimens of humanity for which I have no earthly use. One is the man who, though now strong and vital, yet plunges into dis-

Manly, Vigorous Men Rule the World

sipation and excess with the certain knowledge of his unmanly fate. The other is the man who, though knowledge of his debilitated and enervated, makes no effort to get away from his life of dissipation and wrong practices. As a matter of fact, there is no hope for either of these unfortunates. But for him who acknowledges his errors, who may come to me and say, "I have paid the penalty of my past follies, but I am THROUGH with my life of dissipation, and I am going to make a manly effort to restore myself to such a man, I care not what his physical condition may be. I can say in all truthfulness, "You, my friend, are the man who I desire to help. I desire to aid just such men who seek manly strength. I am not offering this VITALIZER here for sale, but merely suggest that you, reader, take opportunity to learn all about what this little appliance is doing today everywhere throughout the world, and in the future you want to use yourself and will so write me. I will gladly make some liberal proposition whereby you may have one to try. The VITALIZER is made up in a very light form, weighing only several ounces, and you wear it on your body all night. It generates a great, pleasant FORCE which I call VIGOR and which flows in a continuous stream into your nerves, organs, blood and muscles while you sleep. I am satisfied in my own mind that I have access to a great POWER in this little VITALIZER which in the future will be more relied upon all over the world in the treatment of debilities and nerve weakness.

With special attachments which carry the FORCE of the VITALIZER to any part of the body, it may be used by women as well as men for the treatment of rheumatism, kidney, liver, stomach, bladder disorders, nervousness, lack of energy, etc. Therefore, please send for the book today, or if you happen to live in or near this City, I should be very happy to see you in person. Office hours 9 to 5.
