### UNDERWEAR WEEK AT THE OAK HALL A GREAT SUCCESS

Oak Hall has set apart this whole week for the special showing of men's and boys' underwear and judging by the demands that have been made on the salespeople for underwear, Oak Hall certainly chose a very opportune time. Besides showing all the leading makes, such as Standfield's, Penman's, Turnbull's, Watson's, Wolsey's and others, they are offering some lines at very special prices, in both men's and boys', and for week-end announce a new low price on Standfield's, namely Red Label at \$2.95 a garment; Blue Label at \$3.40 and Black Label at \$3.95. This in itself is an opportunity that will be appreciated by many, to say nothing of the other specialties that have been in great demand all week, and will continue to be in demand up to closing time Saturday night.

It is a drain on health and a menace to sight. There is only one remedy—properly fitted glasses. Long experience, and the most facilities, enable us to serve you most efficiently in the testing of eyes and the fitting of glasses. There is no guess work. Our examination determines the exact condition of your eyes.

"I AM READY TO CRY"  
Said a woman in an old-fashioned kitchen when she had finished getting the third meal that day. "My feet, my head and my back ache and I'm so tired I can hardly stand."

Why Don't You Get a Hoosier Kitchen Cabinet  
and sit down while you work? "A Hoosier places your whole kitchen at your fingers' ends and saves miles of steps," replied her friend. Go see the Hoosier where I bought mine and you won't be without one another day.

FAGGED OUT  
Do you know that kitchen work causes thousands of women's ills? It's the tramp, tramp, tramp between the stove, table, pantry, cellar, cupboard, etc., in getting those three meals a day. The meals are necessary, but the tramping is not.

A HOOSIER KITCHEN CABINET  
places your whole kitchen at your fingers' ends, grouping more than 400 articles and allowing you to sit down at work and save miles of steps.

DOCTORS AGREE  
that the thump, thump of walking about in old style kitchens is responsible for thousands of cases of "nerves" and other disorders.

A HOOSIER KITCHEN CABINET  
would end the trouble. It places your whole kitchen at your fingers' ends. You sit down while working and you save miles of steps every day.

All We Ask is \$1.00 Cash Down and This Cabinet is Delivered Right in Your Kitchen
