

over them, who are desirous of improving their minds, that they should endeavour to dispense with their services for a certain portion of their time, in order to enable them to obtain the advantages of instruction at the Seminary at Horton, in such branches of Education, as such Ministering Brethren may deem most essential to their future usefulness in the Lord's Vineyard.

29th. That Brethren Green and Nutting be appointed to superintend the Printing of the Minutes of the Association.

30th. That the cordial thanks of this Association be given to the Church and benevolent friends in Yarmouth, for their hospitality and kindness during the present Session.

31st. That the present Board of Directors, Managing Committee, and Officers, of the Baptist Education Society be continued and that Brethren Harris Harding, Potter, Bill, Masters, Baneroff, Cunningham, Green and Miles be added to the Board.
