### WELLAND CANAL ENLARGEMENT.

**NOTICE TO CONTRACTORS.**

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for Welland Canal" will be received at this office, until Monday, the Twenty-First January next, (1874) for the construction of Fourteen Locks, and Fourteen Regulating Weirs, a number of Bridge Abutments, and Piers, the intervening Reaches, Raceways, &c., of the new portion of the WELLAND CANAL, between Thorold and Port Dalhousie.

The work will be let in sections, five of which, numbered respectively 2, 3, 5, 6, and 7, are situated between Port Dalhousie and St. Catherine's Cemetery; and three (numbered 12, 13, and 14) extend from the northern side of the Great Western Railway to near Brown's Cement Kiln.

Maps of the several localities, together with Plans and Specifications of the works, can be seen at this office, or at the resident Engineer's Office, Thorold, on and after Monday, the 5th day of January next, (1874) where printed forms of Tenders can be obtained.

Contractors are notified that Tenders will not be considered, unless made strictly in accordance with the printed forms, and—in the case of firms, except there are attached the actual signature and the nature of the occupation and place of residence of each member of the same.

For the due fulfilment of the Contract, satisfactory security will be required on real estate, or by deposit of money, public or municipal securities, or bank stocks, to an amount of five per cent on the bulk sum of the contract.

Ninety per cent only of the progress estimates will be paid until the completion of the work.

To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of the works, embraced in the contract.

This Department does not, however, bind itself to accept the lowest, or any Tender.
