Liberal Papers' Opinions.

The Liberal papers welcome the semi-
official statement in behalf of the Gov-
ernment to the effect that it would
be a great mistake to suppose that
revolutionary terrorism will be met by
terrorism on the part of the Govern-
ment, and adding that the Cabinet in-
tends to continue to the path of reform.

But the papers manifest their distrust
of whether the Ministry will be able to
master the situation by the publication
of the ukase providing for the distribu-
tion of land to the peasants. Some
of the papers, however, have the an-
nouncement as being a distinct conces-
sion from the position which the Gov-
ernment took two months ago, when
Premier Goremykin returned a non-
possumus to this demand on the part
of Parliament.

Insurgents Hold Town of Cabanas and
Take Santa Clara.

Havana, Aug. 28.—The surrender
yesterday of some of the more vigor-
ous insurgent leaders in the provinces
of Matanzas and Santa Clara, and the
coming in of a scattering few insur-
gents in response to the Government's
proffer of amnesty, is vastly more than
offset by the insurgent sentiment loom-
ing stronger daily in the country dis-
tricts of the provinces of Havana,
Pinar del Rio and Santa Clara, and
which now is reported to be gaining
headway in what was formerly a
province, however, there are as yet no
reports of the existence of organized
bands.

The insurrection in the Province of
Pinar del Rio has spread to the north
coast, and the Town of Cabanas now
is in the hands of the insurgents.

It is reported also to have gone in
the direction of Bahia Honda. The latter
place is the site of one of the United
States naval stations.
