UNFOUNDED REPORT

THE PHILIPPINE ISLANDS. ocal Governments Will Be Established As Fast As Conditions Permit.

Washington, March 4.-In his in-ugural address yesterday President Mc-Kinley referred to the Philippine quesion as follows:

While the treaty of peace with Spain was ratified on the 6th of February, 1899, and ratifications were exchanged two years ago, the congress has indicated no form of government for the Philippine Islands. It has, however, provided for an army to enable the executive to suppress insurrection, restore peace give security to the inhabitants and establish the authority of the United States through the archipelago. It has authorized the organization of native troops as auxiliary to the regular force

I shall continue the efforts already begun until order shall be restored moved his resolution in the House throughout the islands, and as fast as especting the Pacific cable, The conditions permit will establish local provided for making arrange-governments, the formation of which, with the full co-operation of the people, has been already invited, and when established will encourage the people to administer them. The most liberal terms of amnesty have already been com-municated to the insurgents, and the way is still open for those who have raised heir arms against the government honorable submission to its authority. We re not waging war against the inhabitants of the Philippine Islands. A portion of them are making war against the Unted States. By far the greatest part of the inhabitants recognize American sovereignty and welcome it as a guaranty of order and security for life, property, liberty, freedom of conscience and the pursuit of happiness. To them full protection will be given. They shall em of technical education in schools.
