## been killed or wounded at San Carlos.

## VICTORIA, B. C., TUESDAY JANUARY 27, 1903.

Count von Bulow, is holding out to Great Britain in his speeches in the Ministe

second bombardment of the Maracaibo The Standard, referring to the previous bombardment of Fort San Carlos,

says: "It is difficult to maintain a paci-fic blockade, and in the long run Vene-zuela must be the chief sufferer from such a contretemps. It may be hoped that President Castro will see this and promptly authorize Minister Bowen to agree to the very reasonable preliminary conditions laid down by the aggrieved nowers "

The foreign office points out that the toreign once points out that everything depends on the disposition of the Venezuelan government. Should the forthcoming negotiations satisfy the powers that Venezuela is determined to do everything possible to meet her obligations, the powers will terminate the blockade at the earliest possible mo-

bardment of Fort San Carlos, Venezuela, was received at the navy department at noon to-day, it being communicated to the imperial chancellor be-fore being published. The foreign office has not received any representations from United States Secretary Hay relative to the bombardment.

The first official report of the bom-Los Angeles. He was obliged to Guay-a steamer to go from Mazatlan to Guay-amas, where his party was quarantined for ten days. Mr. Rhodes says: "In Mazatlan the plagne is confined to the peon class of

San Carlos fired on the Panther first, as the cruiser was feeling her way into the inner harbor channel.

## Raising the Blockade.

London, Jan. 23 .- At the German em- raved here at 2 o'clock this afternoon London, Jan. 23.—At the German em-bassy a representative of the Associated Press was informed to-day that no ex-planation had yet been received there of the bombardment of Fort San Carlos, and it could only be assumed that there was good and sufficient cause for it. It was suggested that independent on the transformation of the short of the subscript of the sub him first, without reason or provocation. That the biggest attacking vessel was either an English or an Italian ship, is untrue. It is known that all three ves-sels are German. whet Miranda is in was suggested that judgment be suspend-Venezuelan gunboat Miranda is in blockade should not be raised until a satisfactory guarantee had been offered by President Castro. When Minister Bowen went to Wash-

ington it was thought he was bearer of such a guarantee, but the German embassy officials asserted, it has turned out, that they only had President Castro's promise to pay, which had previously proved unsatisfactory. If Mr. Bowen could secure some other guarantee then the blockade would be raised, but negotiations to this end are not likely to ad-vance until the arrival of Baron Speck attack on the gunboat. Excitement ron Stonberg, the Germau charge d'af-

Paralt said to-day, concerning the bom- port that the German warship Panther sion to publish information showing that rage last November:

bardment: "What more can we do had entered into Lake Maracaibo, and than accept the terms of the powers and send Mr. Bowen, with full powers, to had surrendered to her. The rumor is manual that the venezuelan cruiser Miranda had surrendered to her. The rumor is determined to her. The rumor is the latter's efforts to overthrow the determined of the determined to her. The rumor is determined to her the rumor is determined to her. The rumor is determined to her ther ther the rumor is determined to her the rumor is d negotiate at Washington. Have we re- | believed to be without foundation.

Will Cause Delays. London, Jan. 22.—The news of the second bombardment of San Carlos reached London too late to be printed in the papers of this morning, while nearly all comment upon the "olive branch" which the German chancellor, Count von Bulow, is holding out to Great Britain in ble abody is holding out to
