duced that the provincial secretary is able to announce that it is now only a little over \$6,000. That state of affairs was brought about in face of a diminished revenue, the lumber depression having greatly reduced the territorial revenue. In view of these facts, hon, members would see that the provincial secretary might very well have claimed much greater credit for the showing he was able to make, The

THE PUBLIC ACCOUNTS

committee had found everything all right
and he had no doubt the result this year
would be the same. The item for public
pricting was somewhat larger than the
previous year, but that was due to the
fact that the government are printing reports that had not before leen printed,
among each being the report on public
health. He closed by according the
motion that the speaker leave the chair.

MARCH 8.

The Pope to the Prelates.

In the latter part of February the Pope sent a letter to the patriarchs, archbishops and bishops of the whole Church on the subject of the beretta. The beretta is the three cornered cap worn by ecclesiastics. Its use began when priests gave up the ancient custom of covering their heads with the amice till the actual beginning of the mass. Its color was black or dark blue Gradually in modern times archbishops and bishops made it the color of their permission to patriarche, archbishops and bishops to use the violet color and estab-The letter, signed by Cardinal Ladoch

owski, has just reached this country. His Holiness begins with a pleasing reference to his jubilee, and warmly thanks the prelates for the love and affection which they have substantially shown to him personally. He then goes on to say that he signalizes his jubilee by making it the right, instead of an unauthorized custom. of the prelates of the rank named to wear for all future time the violet beretta. -N.
