MUST USE GOOD OIL

The owners of all steamboats at St. John which carry passengers have received a letter from Isaac J. Olive, inspector of hulls, stating that he has been directed by the deputy minister of marine and fisheries to notify them that the 27th section of the Steamboat Inspection Act, having reference to the use of coal oil of a lower grade than 300 flash test, must be complied with. Unless it is, he says he will have to decline to issue certificates to the boats in the future. The inspector requests that the boats have certificates of the test of the illuminating oil on board the vessels.

MAYOR DANIEL HONORED. Mayor Daniel has received a let-ter from Capt. Stokes, of the British Navai and Military Veterans of Boston, stating that at a recent meet-ing he had been unanimously elected as an honorary member of the society. This honor is a token of the appreciation in which his worship's good services in behalf of the visiting delega tion last fall, is held by the society.

THE STANLEY'S HARD LUCK. The government steamer Stanley which has been running in a free and vented from crossing during the past few days by a wall of ice stretching across her course. This ice is piled up to a width of about three steamer lengths and has been found impassable. On this side of it the ice is thin with stretches of open water and it is believed that were a passage made through the wall, the steamer could continue her trips. The Stanley left Summerside on Tuesday morning with a hundred men on board who are endeavoring to cut a path through the The steamer Minto has been

ell-developed case of smallpox and a still better developed jag caused uproar in Charlestown last night, the excitement over the case entreing about police station 15. Jeremiah McCarthy, 38 years of age, of 40 Cook street, was the doubly af-flicted central figure in the case, and ampton street, awaiting transporta-tion this morning to Gallups Island. McCarthy is a carpenter, and al-though he hasn't been feeling well for few days, has kept at his work. At ast he did keep at work until Tuesday, when he was discharged, the police say, because he had a rash on his face that the boss thought might have been caused by smallpox. McCarthy, occording to the police version of what followed, not only felt sick, but felt downhearted as well over his discharge, and for the double purpose of bracing up his health and drowning his sorrows, he proceeded to get

As near as the police have been o trace his movements, he distributed his trade pretty impartially among the saloons in the section of Charles town where he lives, and at 7.30 last night turned his uncertain footsteps toward 40 Cook street, where he lives

with his sister. The sister, according to the police says that he was not in good condiition to accompany her, so when he tried to get into the house she locked him out. Then she poked her head out of a front window, and brother and sister were having a heart-t-o-heart talk until reserve officer Leroy Jordan came along and suggested that the wrangle had continued about enough He ordered McCarthy the house, but the sister wouldn't open the deer, so the policeman called the patrol wagon, which came in a few minutes in charge of driver Shaw and The following provincial appoint patrolman Whitney. They went to ments are gazzetted: Herbert J. the station with their prisoner, who

Madawaska, have permission to sol- terest the lieutenant half as much as the blotches. He questioned McCarthy pretty sharply, and the prisoner sai Daniel Gwinn, aged 19, a native of he had been sick two or three days North Harbor, C. B., was fatally in- and he didn't know what alled him. He leaned wearily against the railing in front of the lieutenant and intimated he didn't care much either.

Curry sent a hurry call for Dr. Jones Daff, the station physician, and while he was waiting for the dector to come he had McCarthy and the officers who had brought him in stand at the railing and the outer door was barred against and the outer door was native agent of administration at the same time. It callers. A man couldn't even set into a cell while the little party walted. "I guess you've got the smallpox," but legal talent in St. John and that the lieutenant said to McCarthy," but both petitions were drawn up there. I hope you haven't," he added with much more feeling. The policemen standing uneasily by, with orders not

to leave the room, hoped so too.

It didn't take Dr. Duff a minute when he arrived to discover that McCarthy had a well developed case of smallpox, and then there was agitation in police circles. Curry held the prisoner and the policemen close to the railing until ally done, the will was proved, the Dr. Thomas Shea of the board of health, who was telephoned for, arrived with a smallpox ambulance, and a corps of er, executor of the estate of the late board of health employes to fumigate William G. Cochran of Norton, trader,

YOU CAN GET WELI Without Bisking a Penny.

Won't You Merely Ask for My Book?

I have written these books after a lifetime's experience to tell you my way of euring chronic diseases.

I have tested my methods by thousands of
bedsides in bespitals and homes. It accomplishes what no other treatment can do. It
is so sure that in any case, no matter how
difficult, I take the entire risk.

No money is wanted. Merely write me a
postal for the book.

I will send with it an order on your druggist for six bottles Dr. Shoop's Restorative.
He will let you take it for a month, and if
it does what I claim the cost is \$5.50. If it
fails, I will pay him myself.

No other physician ever made such an offer, and none ever will. There is no other
treatment that could stand such a test. But
I have learned by experience that 39 out of
each 40 who get these six bottles pay for
them, because they are cured.

One time in forty I fail. Sometimes the
disease is too difficult to be reached in a
month. Sometimes an organic trouble, like
cancer, makes a cure impossible. But 33 in
each 40 who take the remedy get well. The
other one pays nothing; the treatment is
free.

Won't you write a postal to learn about a-

other one pays nothing; the freatment is free.

Won't you write a postal to learn about a remedy like that?

My success comes from strengthening the inside nerves. I bring back the nerve power which alone operates each vital organ, I make each organ do its duty by giving it nerve power. Positively there is no other way.

HAMPTON.

Cases Disposed of by the Kings Co. Probate Court. HAMPTON, Feb. 5.—The houses of

E. G. Evans and Henry J. Fowler, on the Passekeds road, have been pla-carded by the chairman of the board of health as containing cases of diph-theria. In the former the sufferers are Ronald, the ten year old son, are Ronald, the ten year old son, and the baby, and in the latter, Elsie Rood, the servant. Today Dr. Wetmore was looking after some other suspected cases, and will take such active measures as may be neces-sary to keep the progress of the dis-ease in check.

F. M. Sproui is holding meetings in

various parts of the county and is being received with marked evidences of favor by the electors wherever he goes. So far he has not called in the esistance of outside speakers, and indeed, with ample time, he will require self and rarely speaks without win-ning many new friends to his cause. By his election the local opposition will gain great strength, and the peo-ple a staunch supporter of their bes

HAMPTON, Kings Co., Feb. 6.-The following causes were disposed o in the probate court today by Judge

On the petition of Duncan D. Stockton, executor of the estate of the late George C. Stockton of Studholm, farmer, to die and pass the accounts of the estate, a citation was issued re turneble on Thursday, August 7th. This date was fixed upon to enable a copy of the accounts to be sent to the legatees, one of whom resides at Malden, Australia, as well as to another at Lynn, Mass., with opportunity for ex-planations to be made of any items upon which a question may arise. The

counts meantime are filed. L. Alli-Mrs. Susanna L. Spragg, widow el the late Charles Spragg of Norton, ex-ecutrix, and Fred E. Sproul, executor, under the will of deceased, respective ly petitioned for the issue of letters testamentary, the value of the real estate being \$1,400, which was devised to the widow during her life, and thereafter to one Walker in perpetuity. The will disclosed no personalty. Be-fore the will was proved a further petition was submitted praying that letters of administration might be issued to Susanna L. Spragg to administer on the personal estate of deceased, consisting of farm preduce valued at \$182.50 and a policy of insurance for \$1,000. It was stated that lays before death) the testator was unaware that he had any personal property, to devise, as he regarded the duce as belonging to the farm, and the premium on his life insurance unpaid. Although the company at first demurred, there was every reason to believe that the insurance would e paid, and the widow wished to be in a position to receive the same side in Chatham, where Mr. Brown has Judge Gilbert said he had never heard established a successful law business of such a case before, nor did he think it possible for the same person to act under letters testamentary and letters of administration at the same time

It was pointed out that the first petition was faulty because it stated that deceased died intestate, and Mr. Sharp was recommended to abandon the aption for letters testamentary so as to cover all the estate. This was eventuexecutors sworn and an order issued. Henry H. Cochran of Norton, farmthe station house and the clothing of petitioned to be appointed guardian of the policemen who had been in contact deceased's three infant children—Fredwith McCarthy.

McCarthy was transferred to the pestthe widow and mother of deceased behouse on Southampton stret, and then
the board of health men made the
allowance to be granted for their support and education in case an amount should be required for these purposes. At present, however, the eldest is with his maternal grandmother, Mrs. (Rev.) Colpitts of Woodstock, and the youngest is with J. E. Price, a neighb friend, while the second is with peti-tioner. The estate consists of realty valued at \$50 and personalty \$850-\$50

ing 6 per cent. interes in about a month. The object in seeking an allowance was simply to make provision for any contingency which might arise by reason of death or otherwise without having recourse to another application and thereby entail costs. The guardianship papers were ordered to be issued and the whole of the income of the personal estate was di-rected to be issued as an allowance.

F. M. Sproul acted for the petitioner. SUSSEX. Special Services in the F. B. Church-

SUSSEX, Feb. 6 .- For the past tw weeks special services have been in the F. B. church, the pastor, Mr. Nobles, being assisted by Rev. Beatty of the People's Mission, The services have been largely attended and considerable interest has been shown. Several have professed conversion, and baptism will be administered to a number of candidates on Sunday. There will be three services on Sunday, at each of which Mr.

The Free Baptists will hold a concer on March 4th. Miss Catherine Mccod of Boston and Miss Bessie McLeod of the Woman's Hospital, New York city, arrived here

W. D. McKenzie, stone mason and builder, of Springfield, Mass, who left here a poor boy about twenty years ago, is now in comfortable circumstances, having done a business of \$50,000 last year. He has been home visiting his parents, Mr. and Mrs. John McKenzie of this place, and left this morning to resume his work Springfield.
