MARRIAGES.

A very pretty wedding was solemnized on Wednesday at 5.30 a.m. at the bride's home, Seal Cove, Grand Manan, when Grace Rebecca, only daughter of Mr. and Mrs. James Dalzelle, was united in marriage to Mr. Harry Milton Akerley. The bride is one of Grand Manan's most popular young ladies and was formerly office assistant to Inspector of Fisheries, John F. Calder, at Campobello, in which capacity she made a host of friends. The groom is employed as chief clerk for the Eastern S. S. Co., St. John. The ceremony was performed by Rev. Mr. Wright, pastor of the Baptist church, in the presence of immediate friends and relatives only. The bride was attended by Miss Mabel Morrison, of St. John; the groom was supported by the bride's brother, Vance Dalzelle, of Moncton. The wedding march was played by Mrs. Milford Dalzelle, a sister-in-law of the bride, of St. John. Following the ceremony, breakfast was served and the couple left by automobile to the boat en route to St. John, via St. Stephen. The bride's travelling suit was navy blue with hat to match and ostrich ruff, and carried a bouquet of American beauty roses. The bridesmaid wore blue satin. The presents were numerous and suitable, including a combination writing desk and bookcase from the office staff of the Eastern S. S. Co. In future they will reside at 139 Queen street, St. John, N. B.

Sharpe-Young.

A wedding of much interest was solemnized on Wednesday evening, June 7th, at the home of Mr. and Mrs. Geo. Young, Sr., Millstream, by the Rev. L. J. Tingley, when their youngest daughter, Mary Edith, became the bride of Marshall Newtown Sharpe, of Collina, Kings county. The bride, who was given away by her father, entered the parlor to the strains of Mendelssohn's wedding march, rendered by Mrs. Coy, and looked charming dressed in white silk, carrying a bouquet of apple blossoms. The house was tastefully decorated with apple blossoms and potted plants. After the ceremony the bridal party repaired to the dining room where a sumptuous supper was served. Only immediate relatives of the bride and groom were present. The bride and groom left for their future home in Collina amidst a shower of rice and confetti. Their many friends wish them every happiness throughout their wedded life.

Downing-Hayward.

A very pretty wedding took place at the residence of Mr. and Mrs. Jarvis S. Hayward, Riverside, on Wednesday morning, when their youngest daughter, Miss Hazel Valentine, became the bride of Arthur Starratt Downing, of St. John, son of Conductor and Mrs. Archibald Downing, of Albert. The double ring ceremony was performed at 10 p. m. by the Rev. H. E. DeWolfe, in the presence of the immediate relatives and friends under an arch of white lilacs and other flowers. The young couple were unattended. The bride entered the room on her father's arm wearing a pretty travelling suit of blue broadcloth with large white picture hat, and carrying a beautiful bouquet of bride's roses and fern. After the ceremony a dainty breakfast was served in the dining room, which was beautifully decorated with flowers, an immense bowl of daffodils and narcisse forming a handsome centrepiece. The Misses Amy and Sarah Prescott daintly attired in white silk waited on the guests, after which the bridal party left on the morning train for a honeymoon trip to Ottawa. On their return Mr. and Mrs. Downing will reside in St. John where Mr. Downing is engaged in the civil service department. The best wishes of their many friends follow them to their new home.

SUCCESSFUL CLOSING AT NETHERWOOD

Exercises Yesterday Were Largely Attended and Proved Most Interesting—The Prize Winners.

The sun shone brightly for the Netherwood closing at Rothesay yesterday, an event which had been looked forward to for many days. The first part of the programme was held in St. Paul's schoolhouse, which was well filled with the parents and friends of the pupils of this popular school for girls. It was a very pretty sight to see the platform filled with girls whose white dresses and bright faces made a picture which well might have been labelled "youth."

Rev. Canon Daniel was chairman and after a hymn sung by the school, and a short prayer, made a brief address. The programme was as follows:

Hymn—"Heavenly Father Send Thy Blessing," school. "The Lord's Prayer," sung by the school. Song, "Will You Walk a Little Faster?" (Lewis Carrol), school. Piano solos by Miss Dorothy LeRoy and Miss Bertha Snowball. Presentation of prizes and certificates by Rev. Canon Daniel. The prize for highest average made in examinations in senior school was presented by A. C. Skelton, who referred to his little address as his "maiden speech." The prize was won by Althea Hazen. Dr. Thos. Walker presented a prize with honors for spelling to Dorothy Teed, addressing the school and telling of the value of a thorough education in these days of such opportunities for women's work.

Miss Ganong then called on the graduating class who were presented with certificates by Rev. Canon Daniel, who spoke briefly, telling the class what they could do by their good influence. A song by the school, a lullaby, followed.

The musical part of the programme was in charge of Miss Alice Davidson, who deserves much praise for the sweet tone and excellent training of the class.

The valedictory read by Jean Schofield showed deep thought and contained pretty references to the "Ruby-Crowned Knight" which has been seen in Rothesay in great numbers. She also spoke of the work which they had undertaken of boot-blacking, silver cleaning, sweeping and dusting, thus earning money for Red Cross work. The paper ended with an appropriate quotation in character.

Rev. Ralph Sherman then addressed the school, telling them of a scene he had witnessed in France where he had seen the women washing clothes on the shore. They had found a stream of fresh water and near this they had dug a pool for the daily washing which for them meant the support of the home. The idea of the stream was compared to religion and knowledge and the fact that it was there for all to use and that each life must be spent in service to be a happy one.

After a song by the school, "Hark, Hark, the Lark," the guests adjourned to Netherwood grounds where they were made welcome by Miss Pitcher and Miss Ganong. The younger members of the school then gave a pretty drill with evergreen wreaths. A fine exhibition of club swinging followed under the direction of Sergeant Dooe, and a "company drill" with Christian Edwards and Mary Armstrong as captains, who put their company through the drill in a smart military way, giving the commands with a clearness that many young officers might envy. Miss McKinney played the accompaniment for the drill and marching. Refreshments were served and the visitors also had an opportunity to examine the clever drawings done by Miss Clara McGivern's class. Some fine work from life, still life, and original sketches were shown, Miss Phyllis Kenny's being particularly good, as also drawings by Althea Hazen, Catherine Wilson, Christian Edwards and Kathleen McKean. A table filled with beautifully knitted socks and samples of fine sewing also came in for its share of admiration.

The heads of Netherwood are to be congratulated on another successful year.

HAD WEAK HEART HAD TO STAY IN BED

Many women are kept in a state of fear of death, become weak, worn and miserable, and are unable to attend to their household, social or business duties, on account of the unnatural action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills will give prompt and permanent relief. They do this by their calming, strengthening and invigorating action on the heart, causing it to beat regularly and naturally, and in addition to this they tone up the whole nerve system.

Mrs. J. Day, 234 John St. South, Hamilton, Ont., writes: "I was so run down with a weak heart that I could not even sweep the floor, nor could I sleep at night. I was so awfully sick sometimes I had to stay in bed all day as I was so weak. I used three and a half boxes of Milburn's Heart and Nerve Pills, and I am a cured woman to-day, and as strong as anyone could be, and am doing my own housework, even my own washing.

"I doctored for over two years, but got no help until I used your pills."

Milburn's Heart and Nerve Pills are 50c per box, 3 boxes for $1.25. They can be had at all druggists or dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

AT CITY HALL.

The city commissioners were all present at the committee meeting of the common council yesterday at noon, the mayor presiding at the meeting. The commissioners referred to the loss of T. W. Morrison of the Public Works Department, and paid a tribute to his worth. The mayor was authorized to arrange for a contribution to the regimental funds of the 115th Battalion in view of their soon leaving the city. Commissioner Wigmore spoke of the band of the 104th, and pointed out that they were all St. John men, formerly the Carleton Cornet who had enlisted and provided their own instruments, and the mayor was also instructed to arrange to provide something for the band fund. Commissioner McLellan submitted an estimate for the paving of North and South Market streets with concrete to cost $6,687. As he had turned his market surplus into general revenue, it would be necessary either to make a bond issue, or lend him the money to be repaid out of market surplus.

After some discussion, on the suggestion of Commissioner Fisher, it was decided to lay the matter over until the meeting of the council on Friday.

Be Careful in Using Soap on Your Hair

Don't use soaps and prepared shampoos that contain too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain muisified cocoanut oil, for it is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

How You Can Quickly Remove Hairy Growths

(Aids to Beauty.)

A well known beauty specialist advises this treatment for the removal of hair from the face. Mix into a paste some powdered delatone and water, apply to hairy surface and after about 2 minutes rub off, wash the skin and every trace of hair has vanished. This method is quick and entirely safe. To avoid disappointment, however, it is well to make certain you get genuine delatone.
