"Do You Still Crank Your Ford?"

Thousands of other Ford owners have ended their cranking careers; they now step into their cars, use the Universal Starter and are away in less time than it now takes you to pull the priming wire on your Ford, and they

don't run the risk of a broken arm or a sprained wrist. Can Be Installed In Thirty Minutes Installation harmless to your car. Made of drop forged steel, and not a penny of upkeep in sight. A child can operate it in perfect safety. Back-firing can neither harm

"NEW UNIVERSAL STARTER"

driver or starter, protected by our automatic release.

\$29.50 Including Foot Primer and Hot Shot Battery Back Guarantee

Guaranteed to work perfectly as long as your Ford will run. This guarantees the whole starter or any part of it. It's sold on a money-back trial. It it is not perfectly satisfactory we'll take it off your car and refund the purchase price. We know that's a strong guarantee, but also know that the Universal is perfect. Every part of it drop forged steel, and experience has proved that it will withstand the most severe abuse. It's absolutely foolproof. Don't confuse the 'Universal Starter' with others you have seen for sale. This is its first appearance in your Province. You must see it demonstrated to appreciate it. At the price this starter is offered you can within a short while save in high priced gasoline and oil wasted in letting your engine run. Guaranteed to start any FORD that will crank. Demonstration stores are now located in most of the important cities in the United States and the territory in most of the States has already been sold. Counties in your territory may be closed any deal of the NOW.
