Certain roads on Burwell's plan confirmed.

III. The roads marked on the said diagram of the said Lewis Burwell in red, the one running from the Grand River opposite the Village of Newport between lots G. and H. Recital.
A certain Road allowance may be granted to W. N. Alger, on his giving other land for the Road.

IV. And whereas the allowance for Road between lots numbers nineteen and twenty in the said Third Concession of the Township of Onondaga, from the River's edge, south easterly to the present travelled road running across said Lots nineteen and twenty, is by reason of the nature of the ground unsuited and impracticable for a road: And whereas William N. Alger of the said Township of Onondaga, Esquire, is seized in fee of the said lots, nineteen and twenty, and is willing to lay out a road along the northern eastern limit of the said lot number nineteen, in the place of the said original allowance for Road between lots numbers nineteen and twenty, therefore it shall and may be lawful for the Governor in Council to cause to be granted to the said William N. Alger, his heirs and assigns for ever, the said original allowance for road between lots nineteen and twenty, from the River's edge to the said travelled road, as an equivalent for the road to be opened by him along the north eastern limit of the said lot nineteen.
