Bloomers post two wins in exhibition action

The UNB Red Bloomers began their post Christmas season in a winning way by defeating the University of Guelph Gryphons in two contests.

On Friday night, the Bloomers scored a 57-27 win. Janet Proude

scored 11 points to lead the winning cause while Kim Hansen added 10 points. Guelph was led by Sue Kay and Mary Proc each with 7 points.

On Saturday, UNB came on even stronger and won by an 84-39 score. Kim Hansen hooped 23 points as

the game's top scorer, while Janet Goggin and Lois Scott scored 13 points apiece. Nelda Robbins also hit double figures scoring 10 points. Jill Finlin was Guelph's high point-getter with 10 points.

These two exhibition games provided the Bloomers with a chance to tune up their play for this weekend's league games. Friday night at six o'clock, the UNB teams meet Acadia and on Saturday at 6:00 p.m. the game will be against St. F.X. This year the X-ettes have been very successful and have yet to be defeated by another league team. This is the first meeting between the two teams and will

provide an exciting contest for the fans.

St. F.X. has a strong team with several talented returnees including Fredericton's Cindy Dean and ex-Bloomers, Helen Jensen and Karen Lee. They also have a talented rookie in Claire Mitton, a member of last year's N.B. Winter games team.

Fan support for the Red Bloomers would be greatly appreciated for this battle for first place in the conference.

FRIDAY'S GAME:
UNB 57 - Hansen 10, Goggin 7,

Blumenfeld 4, Irvine 2, Robbins 6, Proude 11, Maxwell 6, Scott 4, Gillies 2, Sheppard 5, Fouls 23, Free Throws 9 for 22.

Guelph 27 - Antonio 1, Greaves 3, Kaye 7, Lesueur 2, Proc 7, Stoddart 2, Uhlig 5, Fouls 26, Free Throws 5 for 18.

SATURDAY'S GAME:

Wrestling Bears want AUA title

By SCOTT POWERS

What do you say about a coach who has coached a varsity team for five years and out of those five, three have been A.U.A.A. championship seasons?

As hard as it may seem, this is exactly the record for Coach Jim Born and his UNB Black Bears wrestling team.

To be exact, the Bears record from 1970-75 is 20-4-0, with 1972-75 being the championship years.

This past summer Born was selected to take Canada's Junior World Wrestling Alternate team to the United States for a two week Wrestling-Cultural exchange.

For those of you who do not follow university wrestling, this is not the typical television roustabout, but that of free style used in the Olympic.

In the first match of this year, UNB finished third at the Dalhousie Open, behind Dalhousie and Hofstra University of the United States.

Born was asked how the bears looked for the remainder of the season and replied that although the team has not reached its peak, it will be ready by the time the A.U.A.A. finals are held on February 14, at St. F.X.

The reason the team is not fully ready, is that this is a rebuilding year for the grapplers. Of the 12 members for this year's roster, only four are returnees from previous years.

At the moment, Born is looking for some new national-calibre wrestlers to replace Mike Ballack and Phil Knox.

Ballack, who is in a 5-year program at UNB, has taken a year off from wrestling, to keep his eligibility for his last year, but he can still be seen helping out with the coaching duties. Phil Knox has decided to take a year off from school, but is hoped to be back next year.

For the last few years, Dalhousie University has been UNB's toughest opponent and this year are expected to win the A.U.A.A. championship, with UNB seen as the underdog.

Coach Born, says it will be "a real dog fight" and that he and the Bears, will live up to their name and "Be Tough!"

Black Bears Schedule

January 16-17: Moncton Invitational
January 23: Universite de Moncton Quadrangle
January 24: University New Brunswick Open+
January 31: Acadia Open
February 7: Rickers vs UNB+
February 14: A.U.A.A. championship, St. F.X.

+ All Matches at UNB are held in the South Gym of the Lady Beaverbrook Gym.

Devils lose 2-1 to Chevies

MacGillivray plans changes

Although the UNB Red Devils don't resume their Atlantic Universities Hockey Conference action until tomorrow night when they meet the University of Prince Edward Island Panthers, they have played some hockey since before the Christmas break.

Last Tuesday at the York Arena, the Devils lost a 2-1 game to the Fredericton Clark Chevies, participants in the Southeastern New Brunswick Hockey League.

Alfie Hamill did the damage for the Chevies with a pair of goals. His first marker came at 3:50 of the opening period when he converted a pass from ex-Devil centerman Danny Gill. Gill is the leading scorer in the intermediate 'A' league which the Chevies play in.

Hamill's second goal, coming at 17:01 of the final frame from an unassisted effort, was the winner.

Gary Brown replied with UNB's lone tally in the first period.

Although the Devils outshot the capital club 35-23, the overall offensive edge was in favour of the Chevies. UNB failed to hit, their passing was ineffective and they left the Fredericton squad unhampered in their own end.

UNB coach Bill MacGillivray was not pleased with the varsity team's efforts overall. He did mention that he felt veteran netminder John McLean played a good game and that he was pleased with the efforts of newcomers Gary Lewis, David Kent and Jim Welychosky.

Lewis, a third year business student from Sydney, N.S. has not played hockey for a few years, but

has impressed MacGillivray with his positive attitude and his desire.

Welychosky, who previously played junior hockey in Saskatoon last year, is a freshman forester, and should fit into the Devils roster with little difficulty, according to MacGillivray.

Kent, another first year student who has just joined the team in January, played junior hockey in Saint John last season. "Dave's looking good," said MacGillivray who feels the rookie could earn himself a place on the squad.

The Christmas break couldn't possibly have helped the team who finished the first half of the season with a record of three wins and four losses, but the attitude of some of the veterans of the team was obviously not the best.

In particular, the senior line of Doug MacDonald and Jerry Grant, which MacGillivray hoped would provide some solid leadership for the large number of rookies filling out the team roster this season, has not been living up to either its potential or its advanced billings.

When asked about the upcoming contest with the UPEI Panthers tomorrow night, MacGillivray said, "I'm anticipating a win. And if we don't win there will be some drastic changes made."

"Frankly, I'm disappointed with the team lately," said MacGillivray. "They don't have the positive attitude they started out with earlier this season."

The Devils will have the opportunity to even the score with the Panthers as a result of the 5-2 loss on the Island before Christmas when the two squads meet in the 7:00 p.m. slated match Saturday night.

Malley case taken to CABA courts

Clarence Malley, a 21 year old native of Chatham Head, N.B. and a student of the University of New Brunswick, has a problem.

Malley has been classified by the New Brunswick Amateur Boxing Association as a professional because he is claimed to have received \$25 for boxing on a professional card back in July of 1974.

Malley, who's record of boxing achievements include the 1970 N.B. championship, as well as participation in the Canadian Championships in Saskatoon in 1971, the Maritime Championships in Charlottetown, PEI in 1972 and the 1973 Golden Gloves, has applied to be reinstated to amateur status with the NBABA. However, the board of directors refused to have him reinstated in a December meeting.

Apparently Malley has now taken his case to the Canadian Amateur Boxing Association Courts for hearing in hopes that he can be classified as an amateur boxer and begin fighting again.

Malley has not fought since the Newcastle bout when he lost his amateur status a year and a half ago. In the case that he is refused reinstatement he will have to remain with professional status for an undetermined length of time.

It seems the whole incident began when Malley was supposed to fight Carl Wayne Francis but Francis had cracked ribs and was unable to fight. Malley fought his manager, Dough Coughy of Chatham.

The bout was on a card in which all the other fighters received money. Both Malley and his manager, Coughy claim that no money was received as a result of the fight.

None the less, Malley has now lost his amateur status and is ineligible for a crack at the Olympics, something he would like to be able to have.

Leonard Fanjoy, president of the Fredericton Amateur Boxing Club, is working to have the young boxer reinstated as an amateur so he can become a registered member of the local club and fight in the provincials.

MacFarlane named assistant

The positions have been filled on the Women's Recreation Council. Maggie Barber's term has ended and Geraldyn MacFarlane has filled this position as Student Assistant for Women's Recreation. The new Chairwoman taking over for Trish Gowdy is Corina Tautz. Working in conjunction with the activities requested at the closing meeting of last term's council, a program has been established for the '76 term.

The following programs have been scheduled as follows: Ringette on Jan. 13, 20 and 27 from 7:15 to 8:15 p.m. at L.B. Rink; Inner-Tube Water Polo on Jan. 12, 19 and 26 from 7:00 to 8:00 at L.B.R. Pool;

and Fitness Classes on Tues. and Thurs. from 12:30 to 1:30 at the Dance Studio. The Fitness Classes will be run the entire term.

Future Co-ed activities and Women's Recreation will be posted at a later date.

The first week of the program showed a low participation level in Ringette; Lady Dunn - 4, McLeod - 4, Maggie Jean - 3 and the City - 4. A report on Inner Tube Water-Polo was not available at this time. Although it was a small turnout all had a lot of fun and you will not know how much fun you can have until you come out and play...
