CUP

Canadian University Pre national student press or tion has decided to cut drastically on staff and se

In an article from the University "Gazette", the was prompted by difficulties in the organization. Difficulties were partly due to withdrawal of six papers, including the Brunswickan from organization and a fee by Ontario Student Papers pro expansion plans which passed at a CUP conference last spring.

According to the article beginning of the De convention, member papers owed \$78,000 in fees national executive.

Whites

"Non-whites have been divide native people since when Christopher Columbus sailed to America" said Akawanzie of Ottawa, director of the Ontario branch American Indian Movement (AIM). He addressed the people as part of Awareness Week at St. University and UNB.

Akawanzie said that Indians in Canada and the States have to stick up for interests themselves expect justice in white s He said he has been involved in a number of protests, occ and demonstrations at present at Wounded Knee
