

R. M. C. VS. DAL MONDAY

D. G. A. C. ELECTS REPRESENTATIVES

A very successful meeting of the D.G.A.C. was held Monday night in the gym. There was a large turnout and the freshettes were welcomed by the president, "Foo" Grant. The managers of the various sports introduced their particular sport to the girls.

Class representatives were then elected; Barbara Clancy was elected by the Freshette class; Faith Hiscock by the Sophomore class; Elaine Woodside by the Junior class; Sally Roper by the Senior class. Anne Thompson was elected to the position of ping-pong manager.

Ground hockey practices begin this week. Those interested in tennis are urged to try out for the tennis team.

The Delta Gamma meeting which was scheduled for Thursday, Oct. 9 at 12:00 in the Arts and Administration Building, was postponed. Instead it will be held on Thursday, Oct. 16, in the Arts and Administration Building.

Dance Monday

To give college spirit a little pep and to honor the R.M.C. football team, as well as our own, come to the "RINK RATS" DANCE on Monday, October 13, at 9 o'clock.

Arts And Science Meet Tuesday

The first meeting of the Arts and Science Society will be held in the Arts and Administration Building in Room 234 at 12 noon on Tuesday, October 14th, 1952.

As this is the first Arts and Science Society meeting of the year it is especially important that all Arts and Science students attend. All new students in the Arts and Science Faculty are especially asked to attend. A complete and important agenda has been drawn up for this meeting.

The Royal Military College Canadian football team will play an exhibition tilt with the Dalhousie Tigers Monday, Oct. 13 at Studley Field. The R.M.C. squad, from Kingston, Ontario, considered the West Point of Canada, is making the trip to Nova Scotia to play exhibition games with Stadacona and the defending Nova Scotia football champs, Dalhousie Tigers. The visitors will take on the powerful Stad team tomorrow at Studley Field, so you will have a chance to view their squad before Monday's game with Dal.

R.M.C. plays in an intermediate football league in Ontario and according to all reports they have one of the top clubs in the circuit. Coach Keith King says his own boys are working hard to iron out the rough kinks displayed in their first two contests of the season and the Tigers should stack up well against the visitors.

All told, Thanksgiving weekend will be well represented by the sporting world, with the R.M.C.-Stad game Saturday and the R.M.C.-Dal game Monday. The next regular scheduled league game for the Tigers will be Saturday, Oct. 18, when the Shearwater Flyers will be our guests on Studley Field.

Dartmouth Downs Tigers

The Dalhousie Tigers, defending football champions, dropped a 16-4 decision at the hands of the newly formed Dartmouth Arrows last Tuesday evening in a contest played under the lights in the Harbour Town ball park. The result of this victory moved the Arrows into a second place tie with the Shearwater Flyers, and left the Tigers planted in the league cellar. It was the Gold and Black squad's second defeat in as many starts.

Dalhousie opened the scoring in the first half on a safety touch

and two rouges to take a four point lead. The collegians held this lead until the last quarter when the game blew wide open and the Arrows chalked up 16 points for the margin of victory. A long kick, aided greatly by a strong wind blowing in off the water, sent the ball deep in the Dalhousie end, leaving the collegians stranded on the Dartmouth twenty-yard line. From then on

the Tigers failed to get organized and the Arrows ran wild scoring 14 points before the final whistle.

The game was similar to the one played Saturday at Studley Field with Stadacona. Dalhousie opened the scoring, carried the play for three quarters and seemed to fall down in the last quarter.

Bob Goss was the big point getter for the Tigers, being credited with the only four markers gained. Kilroy, Wilson and Maskell scored touchdowns and Feron kicked a convert to take care of the Dartmouth scoring.

Hymn—"From Ocean Unto Ocean"
Invocation
The Rev. Frank Lawson, B.A.B.D.
Conferring of Degrees
President's Address
GOD SAVE THE QUEEN
Benediction

The audience is requested to rise when the academic procession enters the building and to remain standing until the close of the Prayer of Invocation.

After the Benediction the audience will remain standing until the academic procession has left the building.

The following well-known hymn has a special association with Dalhousie University. It was probably written in the Murray Homestead, the home of its author, Reverend Robert Murray (1832-1909). He was a Governor of the University and was made a Doctor of Laws by the Senate in 1902.

From ocean unto ocean
Our land shall own Thee Lord,
And, filled with true devotion,
Obey Thy sovereign word;
Our prairies and our mountains,
Forest and fertile field,
Our rivers, lakes and fountains
To Thee shall tribute yield.

Where error smites with blindness
Enslaves and leads astray,
To Thou in loving kindness
Proclaim Thy gospel day,
Till all the tribes and races
That dwell in this fair land,
Adorned with Christian graces,
Within Thy courts shall stand.

Our Saviour King, defend us,
And guide where we should go;
Forth with Thy message send us,
Thy love and light to show,
Till, fired with true devotion
Enkindled by Thy word,
From ocean unto ocean
Our land shall own Thee Lord.
Amen.

How Can I Start An Investment Programme?

A By Planned Savings Through Life Insurance.

The basis of an investment plan in most cases should be life insurance. It meets in a sound and regular way the real objectives of investment — savings for the future, a retirement income and money for your family should anything happen to you. What is more, life insurance achieves these ends economically and without worry or risk. Discuss with a Mutual Life of Canada representative a life insurance investment plan for your future.
