## HOW DO OTHERS SEE YOU?

Do people see the warmth and friendliness in your smile? Do they feel at ease with you? We all wonder about it every now and then. But if your "problem" days make you more than usually anxious or dispirited, let Tampax tampons help.

Tampax tampons are worn internally, so they won't cause discomfort, can't slip or show. Insertion is easy, even for beginners. No chafing, no irritation, no odor. And you can be yourself every day, without the restrictions of old-fashioned pads.  
 A cheerful, gracious, personable you is what they'll see — no matter what day of the month it is — thanks to the security of Tampax tampons.
