17th Aug.

Dear Mr. Weighen,

● We land at Quebec early tomorrow - after 14 years absence.

We may possibly spend a couple of days in Toronto, going there after spending tomorrow night in Quebec.

● Will you be pleased to see us back? If so, send a line to the C. P. R. Hotel at ^{King Edward} Toronto, arrange a meeting. I should like to see your little girl, though expect she is big now, but you said she was so beautiful.
