7 April 9.

15th ultimo, relative to a
mistake found by you in the
minutes of the Decisions of
the former Reserve Commission
in 1877, two Townships being de-
scribed as "5" and "6" in the copy
given to Mr. Lenihan, which should
have been "1" and "11"; to which
I have enclosed a copy of an
Account from the said
Commission, in connection with the
error.
