

interest or annuity money to the Indians; nor are you to give such orders. Their shares of the annuity or interest money are to be paid directly to the Indian Ammitants and no merchant or trader is to be allowed to collect at the place of payment amounts claimed from the Ammitants.

I enclose herewith a copy of the Indian Acts at present in force. Amendments passed last Session to some of the provisions will come into force on the first of January next; of which copies will be duly forwarded to you. I also forward to your address a copy of the last Annual Report
