With Cheque.

Sir,

I beg to transmit herewith cheque No 2322 in your favour for \$119.43 being balance due you by the Department for travelling expenses. As pointed out to you in letter of the 12th instant, you charged twice for wages of Charles Savage and Albert Henry on the dates mentioned. The error has been corrected thereby resulting in a reduction of \$5.00 in your account.

Your obedient servant.
