

C190095

I have certainly enjoyed the twenty-four and a quarter years I have been here. It has been most interesting, but it is high time we got some younger blood into this establishment. I want to thank you and also other members of your Department for the many kindnesses I have received from them. It has been a pleasure dealing with External Affairs.

With all good wishes,

Yours sincerely,

(sgd.) Willis

(H. Willis-O'Connor)
