District Inspector, Air Regulations,  
Department of Transport,  
1 Montgomery Ave.,  
TORONTO, Ontario.

Dear Sir:

In reply to your letter of February 25th, your file No. TOR5008-B19-14, please be advised that this letter will certify that the weight empty of Tiger Moth CF-BSM, property of the Kingston Flying Club, is 1298 pounds, complete with all necessary equipment, including battery.

Trusting this is the information you require, we remain,

Yours very truly,

WESTON AIRCRAFT LIMITED
