LOSS OF APPETITE.

Is commonly gradual one dish after another is set aside till few remain. These are not eaten with much relish, and are often so light as not to afford much nourishment.

Loss of appetite is one of the first indications that the system is running down, and there is nothing else so good for it as Hood's Sarsaparilla—the best of all tonics.

Accept no substitute for Hood's.

EX-MAYOR SMITH AT VESUVIUS

"I'll never forget my visit to Mount 'Vesuvius,' said ex-Mayor T. A. Smith chatting with some friends. "A man from Chicago went with me. There is a hotel near the top and a look for all the visitors to register in. He noticed the column for remarks, and said: 'Here we haven't written anything here.' Let's write something," says I. I'll do it and you can write the first and my friend second. We'll each and every guide. We've drank their wine. Knowing that every darn one lied.

A German tourist and a Japanese who were there and could read English were deluged with it.

The people around the hotel, too, deciphered the poetry and you should have seen them shaking their fists at us as we drove away."
