

# PREFACE.

The publishers, in presenting this their first edition of the City of Kingston and County of Frontenac directory, desire to state that the object, which they trust has been attained, is to provide a work as complete and accurate as compilations of this kind can be. The postal addresses of the farmers and the residents of the county, now for the first time published in this form, will, we are certain, prove especially useful. We beg to return our thanks to the Clerks of the several Municipalities and Postmasters for their kindness in providing us with valuable information.
