**THE BAIN WAGON**

IS THE FARMER'S FAVORITE.

**Because** it is the lightest running wagon made.  
**Because** it is made in the most careful manner, from the best selected seasoned timber.  
**Because** no inferior iron is used, and special attention is paid in ironing it off.  
**Because** the wheels before the tire is put on are thoroughly saturated in boiling linseed oil, which is a sure preventive of loose tires.  
**Because** the patent arms made from our own patterns are superior to those made by other makers.  
**Because** all material used in painting it is of the finest quality, which gives it a superior finish.  
**Because** every wagon is inspected in all its parts by one of the members of the company before being sent out.  
**Because** it is just as represented every time.  
**Because** "The Bain Wagon" is warranted to be well made and of good material, and any breakage occurring with fair usage within one year, by reason of defective material or workmanship, will be made good by any of their agents, upon the purchaser producing the broken or defective parts as evidence.
