This handy little tool will save you hundreds of dollars. Not alone in replacing labour but in upkeep and running cost as compared with Gasoline engines. A 12 H.-P. Let the Jumbo 30 Days Do Your HOISTING FREE

Yes, sir, that's just what we mean! TRY this hoist. Let it lift your wagon body, gas engine, slaughtered hog—anything, or try it out on that saggy length of wire fence that needs stretching. Use this hoist for 30 days! If the time, trouble, temper and tugging it saves isn't worth a dozen Jumbos, don't keep it.

HALL Jumbo Safety Hoist and Wire Stretcher

Here's a hoist that thousands of farmers have gone wild over because it's so handy—because it *simplifies* all their *lifting*. The hoist, which can be used equally well as hoist and wire stretcher, is fitted with an automatic locking device that acts on the *pull rope*. The lock is in the upper block. The instant you let up on the pull rope, zip! goes the lock which takes a bull-dog grip on the rope—holds it until you are ready to lower the load. And the heavier the load, the tighter the grip.

This is the only successful self-locking device on the market with a patent adjustment for ropes of all conditions. Its success is due to its extreme simplicity. Absolutely nothing to get out of gear—nothing to slip

—nothing to wear out or give way. It will last a lifetime and IT'S SAFE. That's why it's popular. Over 60,000 of these hoists in various sizes are in use. Made of best steel, critically tested and inspected before shipment. Shipped for 30 days' FREE use anywhere; guaranteed everywhere. Besides Jumbo Hoist and Wire Stretcher we make 9 sizes of Hall Safety Hoists—capacity, 400 lbs. to 4 tons. Mail your name and your dealer's for the catalog and that Big Free Offer right now!
