Binder Twine

HARVEST OF 1903.

Brantford, Ontario.

THIS COMPANY has again set its prices on Binder Twine for the harvest of 1903. It may well be said we lead the way. The duty of every intelligent Canadian farmer in this deal is easily defined. For ten years we have put up a good fight in the interests of co-operation, and have absolutely regulated the price charged you for Binder Twine in every locality where we have made a shipment. If you want us to continue this same deal, give us your undivided loyalty and patronage. Don't order or buy a single pound of twine from any other concern until you know this Company's is actually exhausted. If we fail to have a farmer agent in your district, give us the name of a good man or two, and we will immediately make the appointment.

You have it in your power, as Canadian agriculturists, to say whether this organization is to continue or not. No other element or opposition can pull down our standard. The country is in danger from trusts. Farmers, you are up against it.

General Manager.

VARI-CO-CELE

Something That Causes More Wrecks Than Any Other Disease.

Thousands of men have Varicocele and are ignorant of the harm which may result. They only know that something is draining vitality and ambition from their bodies and brains, and know of no reason to account for it. This terrible affliction is the most treacherous, silent and certain in its work of all known ailments. It comes on without apparent cause and never ceases in its destructive influence until it robs a man of all his vitality and leaves him a physical and mental wreck. There are many ways of treating, but none so sure of a permanent cure as Electricity.

Varicocele is primarily a weakness in the veins through which the nutritive blood flows. The failure of this circulative force allows the slow-flowing blood to coagulate and gather in a sort of congested state upon the inner walls of the veins; it gradually accumulates then until it almost closes the channel, thus interrupting the private circulation, causing pressure and distension of the weakened vessels, and producing that consequent dragging sensation usually complained of in Varicocele. I have perfected the only appliance which has a special attachment for treating this disease.

CASES WHICH PROVE WHAT MY BELT IS DOING.

I got the Belt. It has worked well and I am getting along well. The last two weeks the varicocele is gone and I am getting better in every way.—PETER M. NICHOLS, Peterboro', Ont.

The action of your Belt has been most satisfactory. The varicocele and pains in my back are all gone, and I am glad that I took your advice and purchased the Belt.—FRANK MITCHELL, Dunbarton, Ont.

I am well pleased with the Belt. It has done great things for me. My varicocele is about gone. I feel like a new man. I was in very bad shape when I got it.—SAM SMITH, Woodstock, Ont.

I would not take \$50 cash for my Belt. I never enjoyed better health. I am not the same man at all. I feel stronger and enjoy life better than I ever did before.—JOHN COWLEY, La Vallee, Ont.

My Belt is worn comfortably at night while you sleep, and gives a powerful current that is always under the control of the wearer. It pours its vitalizing energy into the body for six or eight hours at night while you sleep.

EASY TO WEAR. CURES WHILE YOU SLEEP.

You have nothing to lose by trying my Belt, I take all chances of curing every case that comes to me. If it were not for the free belt scheme, which is not free at all, or the just-as-good Belt offered for a dollar or two, which gives no electric current, having made everyone sceptical, I would not have to pound away at the public to let them know what Electricity will do when properly applied. I have been carrying on war with these rascals and they have felt the weight of my blows. My business is just as clean as that of any merchant. I have perfected an appliance that does cure, and I intend to hammer away at the public until they know it. I offer to anyone only what is fair. Give me reasonable security for the price of the Belt, and you can

PAY WHEN CURED.

TO THE PUBLIC.—Dr. McLaughlin's Electric Belt is positively the only electric appliance sold where you receive the advice of a practical physician. I give you my advice free of charge. Agents or drug stores are not allowed to sell my Belts.

IT IS FREE.—MY BOOK.—Dr. McLaughlin's book for men is written in plain language, and the illustrations are of the highest type, showing the best developed specimens of manly strength. It explains my method thoroughly and gives you prices of my Belts, showing the attachments used in treating those cases. Send for it to-day.
