No fewer than 1,280 sheep and lambs were flagstaff, and flew thirty feet above it. shipped from Summerside, P.E.I., last week by steamer running to Point du Chene, N.B. The value of the animals was about \$3,000.

WE are told that 22 iron steamer "tramps' have loaded in the Mirimichi River this season, and they took as many standards of deals for the British markets as 78 average-sized sailing vessels would have carried. Rather hard, this, on the Nova Scotian wooden ships.

THERE must be something wrong either with the class of men enlisted in the West Riding Regiment, now at Halifax, or the discipline of the regiment, when there are about 20 of its members in the city prison for civil offences, besides a large number in the Melville Island military prison for army offences. Shopkeepers in Halifax are afraid to exhibit goods to these soldiers, and the Major has been obliged to make special representations to the General.

engine, one of the Ronald make, which seems to have given great satisfaction at the trial. Says the Pioneer: "The machine was ready for work, and taking her stand upon the International dock two lines of 500 feet of minutes from the time smoke emerged from her stack she was throwing water; in 8 the roof of the International hotel; in twelve minutes it covered the ball at the top of the

The Boston Journal of Commerce declares that cases of infection that could be accounted for in no other way have been explained by the fingers as a vehicle. "In handling money, especially of paper, door knobs, bannisters, car straps, and a hundred things that every one must frequently touch, there are chances innumerable of picking up germs of typhoid, scarlatina, diphtheria, small pox, etc. Yet some persons actually put such things in their mouths, if not too large. Before eating, or touching that which is to be eaten, the hands should be immediately and scrupulously

COMMENCING in February, 1888, with a stock of dry goods which he bought at 66% cents on the dollar, P. A. D'Auteuil, at Winnipeg, has not been able to make a success of the venture and has assigned. His creditors are called together for the 1st October .- In the same city G. Frankfurter, also in the dry goods trade, has obtained an extension of time; the second favor of the kind since 1884.—Jessie H. Smith, a tailoress in Winnipeg, is in difficulties. The holder of a chattel mortgage is threatening foreclosure. Her husband is the manager of the business, which has, it is said, suffered by his inattention. suffered by his inattention.

DAVID CAMPBELL, junior member of the firm of Duncan Campbell & Son, dealers in tailor trimmings in Montreal, has been missing since trimmings in Montreal, has been missing since Thursday the 12th inst., and it now transpires that he has for some time been for,ing customers' paper. The amount is not yet definitely known, but will probably figure up several thousand dollars. David was admitted to a partnership on the 1st January last, and had full charge of the office. He was very well liked among the trade, and looked upon as a bright promising young man. A statement of the firm's affairs is being prepared for the creditors, who express sympathy with the father, who has always enjoyed the confidence of the community. Later the firm has assigned on demand of Stewart & McDonald, Glasgow. Liabilities \$45,000.
