**Just as clean and just as smart
now that he's in khaki**

HIS flannel and woollen under-
clothing are still washed with
LUX. Lux is an ideal washing pre-
paration which specializes in the wash-
ing of flannels, woollens and all loosely
woven fabrics. LUX prevents such textures
from matting together and shrinking in the
wash. Clothes washed with LUX thus allow
for the expansion of the chest and freedom
of movement, and are a comfort to the body
—a delight to the eye.

*For washing Khaki, Flannels, and Socks nothing
equals LUX.*
