EDITORIAL NOTES.

The Empress of Austria was assassinated at Geneva in Switzerland on Saturday last by an Italian Anarchist. Her Majesty was walking from her hotel to the steamboat when the assassin stabbed her to the heart with a stiletto. She only lived two hours after the assault. The murderer was arrested and seemed to glory in his dastardly deed.

The Ontario Government have drawn the first blood in the election trials. The members for South Ontario has been unseated for bribery by agents. The evidence was sensational and clearly proved that votes were bought at an average of five dollars week kneed grits got large wages on election day to keep them away from the polls. The cross petition against Mr. Dryden was withdrawn, and he now has a chance to avail himself of the oft repeated invitation to take a seat.

Great Britain has good reasons to congratulate herself on the signal triumph of Soulan under General Kitchener. The power of the Kalifa is broken and the flower of his army is either slain or taken prisoners and Omdurman with Kharoum is in the hands of the British troops. There has not been a break of any kind in the plans of the British General except that he fought the decisive battle and gained the victory several hours in advance of the time predicted.

In China a great diplomatic victory has been achieved. Li Hung Chang has been deposed on account of his pro-Russian proclivities and an understanding has been reached between Great Britain and Russia whereby British interests will be recognized and respected. Britain and Germany have come to an agreement in regard to the claims of Britain in Africa, and everywhere the star of Lord Salisbury is in the ascendant.

A terrible disaster occurred on the 6th inst. when one of the piers of the bridge over the St. Lawrence River at Cornwall gave way and the two spans resting on the pier were precipitated into the River. There were about 100 workmen engaged on the bridge at the time and many of them went down with the bridge into the river which at that place is 40 feet deep. Fourteen men were killed and sixteen were badly injured. The bridge was on the line of the Ottawa and New York line and was almost completed when the accident happened. The cause of the collapse of the pier has not yet been made known.

MR. MONTAGUE, DUNVILLE, ONT.,

Has an Interesting Chat About Dr. Chase's Ointment HIS SUFFERING FROM ULCERATING PILES CURED.

He says:—I was troubled with itching piles for five years, and was badly ulcerated. They were very painful, so much so that I could not sleep. I tried almost every remedy heard of, and was recommended to use Dr. Chase's Ointment. I purchased a box, and from the first application got such relief that I was satisfied a cure would be made. I used in all two boxes, and am now completely cured.

Every remedy given by Dr. Chase cost years of study and research, and with an eye single to its adaptation for the ailments for which it was intended. Dr. Chase detested cure-alls, and it has been proven ten thousand times that not one of his formulas leave a bad after-effect. Dr. Chase's Ointment is based on lanoline, and the best physicians prescribe it.

Mr. M. T. Wigle, of Kingsville, Essex Co.

Cured of Itching Piles of 23 Years' Standing. Physicians Fail to Make a Cure When Dr. Chase's Ointment Gave Immediate Relief.

M. T. Wigle, better known to every one in the vicinity as "Uncle Mike," was troubled for over 23 years with itching piles. At times he was so bad he would have to quit work. The irritation became so intense with constant rubbing that they became ulcerated and would bleed. He had been treated by many physicians, but found nothing that gave him relief. Reading in the paper the cure of a friend who had suffered in a like manner, and being cured by Dr. Chase's Ointment, he procured a box. After the third application he got such relief that he had the first comfortable night's sleep he enjoyed in years. The one box made a complete cure, and he says he would not be without it for \$50 a box if it could not be replaced. Mr. Wigle is a wealthy farmer, well known in the community in which he resides. It is over two years since he was afflicted, and he has never been troubled since.
