PROMOTED.—Mr. S. E. Smith, off the Montreal Telegraph agency in this town, has been promoted to a position in the head offices of the Company at Toronto. While we regret that the appointment will necessitate the removal of our clever young friend from town, we heartily congratulate him upon his promotion, having confidence in his ability to discharge the duties of any of the most experienced operators in the Company's service.

EXTENTAINMENT.—The Fraternal Society's entertainment, held in the Congregational Church on Monday evening, was moderately well attended. An attractive programme composed of home talent, was provided. The entertainment was opened with a musical selection by the choit. Rev. J. W. Bell then gave an address, which treated of the many "shams" to be encountered in the world. Vocal selections were rendered in which Miss Bella McKenzie, the Misses Wilson, Miss Morey, Miss Unsworth, Miss dennings, Miss Fortune, and Messrs. D. McKelvie and R. Climie took part. Rev. A. F. McGregor and Mr. W. Hamilton contributed to the entertainment by giving select readings.

Tenders are being invited for the construction of a bridge across the creek between cons. 9 and 10, Elma. See advt.

Editor Standard—Sir,—Will you allow me a small space in your valuable paper forshe purpose of drawing the attention of our Town Fathers to the fact that it requires real estate to the value of eight hundred dollars, over and above all charges, liens and encumbrances affecting the value, to qualify a Councillor to hold a seat at the Council Board. It is the opinion of not a few of the rate-payers that some of our Listowel Councillors illegally hold their seats, not having the necessary property qualification. The matter should be looked into at once, as the corporation may get into serious trouble, the acts of the Council being illegal, and they can be proceeded against by any ratepayer. Yours,

A RATEPAYER.

There can be little doubt but that it was the work of an incendiary. We understand that Mr. Granger was about to move into the house. An investigation should take place.
