DR. HALSET'S GUM-COATED FOREST PILLS,

A Sarsaparilla preparation of unexampled effi cacy.) These Pills are prepared from the best Sarsaparil'a, combined with other Vegetable properties of the highest Medscinal virtue. They are warranted not contain any Mercury or Mineral whatever. They purge with-ut griping, nausiating, or weakening; can be taken at any time without hinderance from business, change of diet of danger of taking cold. They neither have the taste or small of medicine, and are five times more effectual in the cure of diseases than any Pills in use.

But a short time has elapsed since these great an good Pills were first made known to the Public, 30 thousands have already experienced their good effect invalues given over by their Physicians as incurable have found relief, and been restored to sound an incurable has the form their trees.

TO FATHERS OF FAMILIES Bile and foul atate of the stomach occasions more sickness and deaths in families than all other causes of disease put together. Sometimes whole families are taken down by malignant Fevers. Fever and Azue, and other dangerous disorders, all proceeding from a bilious and foul atate of the stomach. No parent can be so ignorant as not to know the great danger estating from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!

Yet thousands of children and sdults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptoms which it produces, such os arck stomach, headache, loss of appetite, bitter take in the mouth, yeilow tint of the akin, languidness, costiveness, or other symptoms of a similar nature. Almost every person are at times bilious, the neglect of which is sore to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills, are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills for a child; from 3 to 4 fer an adult, and from 5 to 6 for a grown person, carry off all belious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR OIL.

SALTS AND CASTOR OIL. No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the howeis costive, and the stomach in as bad condition as before. Dr. Halsey's Forest fills act on the gaulducts, and carry all morbid bilious matter from the stomach and bow-les, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pil's are unlike all others. They act directly on these vital organs of the Stonach, Liver, Kulneys, &c., which secrete the fluids of the body, and separate the importities from the blood the stonach and separate the importities from the blood. a ry in the production of melodious enunciation.

NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's gar Coated Pills" Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manulacture of cummon Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's pills had gained by curing thousands of deease.

The public are now most respectfully notified the slasey's genume Pills will benceforth be cov.

ARABIC,

An article which, in every respect, supercedes Sugar both on account of its healing virtuee, and its durability. The discovery of the improvement is the result of a succession of experiments during three years for the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America. The Gam-Coated Forest Pills present a beautiful, transparent, glossy appearance. The well known wholesome qualities of pure Gam Arabic with which they are coated, renders them still better than Dr. Halsey's Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagneeable and neuesianing tests of Medicine. In order to avoid all impositions, and to obtain Dr. Halsey's true and grounder Pills, we that the label of each box bears the signature of G. W. HALSEY.

READER!! If you wish to be sure of a Medicine which does not contain that larking poison, Calomel or Mercury, purchase Halsey's Gume-Coated Forest Pills. and avoid all others.

If you desire a mild and geutle purgative, which neither neaseastes or gives rise to griping, seek for Halsey's Pills.

If you would have the most concentrated, as well as the best compound Sarsaparilla Extract in the world for purifying the blood, obtain Dr. Halsey's Pills.

A respectable female, in the neighborhood of Loughall, was attacked with Typhus fever, and lay for five days without having tasted any description of food. She was given over by the Surgeon, and prespectations were made for her demise. Mr. Benjamin Mackies, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immence benshift that he himself had derived from Holloway's Pills, recommended an immediate trial, and right were given to her, and the same number was continued night and morning for three days, and no avery short time whe was completely cured.

N. B.—From advice just received, it appears that Colonel Dear, who is with his Regiment in India, the 21st Fusileers, curred himself of a very basis tack of Fever by these celebrated Pills. There is no doubt that any Fever, however mult, neat, may be cured by taking, night and morning, coptous does of this fine medicine.
