

### LIEUT. DICKSON

Receives Presents From Fellow Teachers and From Pupils.

As a token of their appreciation of their master, the children of King Edward school yesterday morning presented him, Lieut. Dickson, with a splendid sweater coat. He was well liked by the scholars, and more than one eye was filled with tears as he took his leave of former pupils.

Master Bisset, son of a Duffin soldier, read an address from the children, complimenting their principal upon the excellent spirit he had shown, and while wishing him the best of success, they also hoped for his speedy and safe return to his duties as their head. The presentation then took place through Master Stewart Macey, son of Col. Sergt. Mack, of the Duffs.

Acting on instructions from Colonel Lessard, D.O.C., Col. Baxter, Major Ferguson and G. J. Smith addressed the meeting. Chief Hill and Johnson Sundry also spoke, and Chief J. S. Johnson occupied the chair. It is intended to secure 1000 men who will be officiated as far as possible with Indian officers. Any Indians desirous of going should at once communicate with Chief J. S. ### A Concert at St. James By the Guild

The Girls' Chancel Guild of St. James' church Terrace Hill, gave an excellent tea and concert in the parish hall last evening, which was attended by a large assemblage which thoroughly enjoyed the hospitality of the night.

The chair was taken by Lieut.-Col. Muir, K.C., and the programme of music was splendid and was heartily appreciated by all. An address by Mr. Felden, B.A., was cordially applauded, and no less so were the addresses of the Rev. Paterson-Smyth and Mr. Simmons. The choir was on hand with a number of superb choruses. The songsters of the evening were in fine voice, and they met with due approval. They were Misses Edith Mallindyne and Wilson, and Messrs Simmons and Felden, who sang the patriotic song 'It's a long way to Tipperary.' Miss Adella Riley was well applauded for a good recitation, and Miss Collins earned merited reward with her piano solo.

The gathering dispersed, but with one opinion of the evening program. They were pleased and did not forget to show their appreciation of the evening's artists.

### T. F. Best Gave Fine Address

Excellent indeed was the rally of Dormitory men of the Y. M. C. A. when T. F. Best gave them, an interesting address upon the cultivation of the right spirit among themselves.

In the years to come, he said, they would look back upon the happy time spent together and this fellow and that fellow would be recalled for his particular characteristics, but the fellow who would make the deepest and most lasting impression would be the one who had lent a helping hand in the uplifting of a soul. There was no greater bond. It was one never forgotten by giver and receiver. Financial help was in cases a good thing but it often resulted in the loss of a friend and a five spot. This was never so in the case of spiritual aid.

He asked the young men to get together and cultivate a spirit of Christianity. It was the best thing they would ever do. George L. Goodwin spoke briefly upon the work commenced and Harry Fleming also had a few words to say, re the arranging of future meetings. The evening closed with a fine vocal solo by Harry Hancock.

### WOMEN PATROLLING

To Keep Soldiers No More Than Courteous to Women.

(By Special Wire to the Courier) LONDON, Oct. 29.—In order to help soldiers observe Lord Kitchener's injunction to be no more than courteous to women, the National Union of Women workers has undertaken the duty of patrolling the territory outside the sentry lines. The services of the women police is gladly accepted since army authorities complain that the soldiers are being lured from Lord Kitchener's ideal by women camp followers.

Meantime, an effort is made to increase camp attractions, such as concerts and to provide other means of diverting the men.

### FOUR MILLION

War Will Account for Death of That Many People Alone.

(By Special Wire to the Courier) BIRMINGHAM, Ala., Oct. 29.—If the European war is maintained with its present violence for eighteen months, the loss of life will be 4,000,000 and the property loss thirty-five millions of dollars, E. H. Gary, president of the American and Iron Institute, said today in addressing the annual meeting of that organization. Mr. Gary admitted the present depressed state of the steel trade, but was optimistic of the future.

"Without particularizing, it would seem safe to predict that in many important respects business conditions in the United States, for the next three months at least, will be better than they have been for the last three months," he declared. "I do not hesitate to say, with emphasis, that the opportunity for success and progress in this country is greater than ever before."
