Migard's Liniment is used by Phy-
sicians.

"CHILDREN OF ONE GOD"

"We All Belong to One Great
Canadian Family."

**K. L. Borden in French Tells 3,000 French-
Canadians That He Is Above All Race
and Religious Prejudices—Expresses
Belief Quebec Will Return to Its Old
Alliance to the Conservative Party
On Nov. 3.**

Montreal, Oct. 17.—"In answer to
the question who is behind Borden I
think I may say that the people of
this country are behind our policy. I
do not fear the issue if the ballots
are counted as the people record
them, for I believe the grand old
Province of Quebec will on the third
of November next return to its former
allegiance to the Conservative party."

The culminating feature of Sat-
urday's continuous demonstration in
favor of the Conservative cause was
the magnificent reception accorded to
K. L. Borden by three thousand
French-Canadians in the Monument
National, and thousands could not
get into the hall. It had all the
whop-up of a French-Canadian gath-
ering and quite exploded the foolish
theory of a solid Quebec for Laurier.

Spoke in French.

The Conservative leader spoke in
French, the following extracts from
his address:

"I do not speak your language as
fluently as I would wish, but when I
accepted the Conservative leadership,
I took the firm resolution to fami-
lialize myself with the idioms of the
people of this province. Let me tell
you, ladies and gentlemen, that I
am above all race and religious pre-
judice. We are all children of the one
God. We all belong to the one great
Canadian family, and we have the
glorious privilege of living under a
flag that protects all races and
crowds within this great Empire of
ours. You may therefore rest as-
sured that if I am called upon to
form a Government, and indications
appear to point that way, you will
have your large and legitimate share
of representation and your large and
legitimate share of influence."

"The splendid battle you have
waged in the past for the conserva-
tion of your existence as a people as
well as for your national autonomy
have won for the sons and daughters
of French-Canada the admiration of
all those who have read your his-
tory."

Not to Ignore Them.

Then the leader spoke of the French
groups all over the Dominion and
said: "I take before you the solemn
engagement not to ignore them, but
on the contrary to give them that
attention and positions to which
they are entitled. As a matter of
fact the traditions of the Conserva-
tive party as well as my own in-
clination render it a duty on my part
to repeat before you to-night these
declarations, which have already been
made. You are the majority in this
province, and you have given a splen-
did example of tolerance and gener-
osity, and in a manner that does
you the greatest honor."

A telegram from Premier Roblin,
dated Medicine Hat, read as fol-
lows:
"The battle cry of Manitoba and
the Territories is the National Policy
and a new Transcontinental Railway
built, owned and operated by the
people. The English and French of
the west look with confidence to the
province that gave Canada the bril-
liant Chapleau, the profound Cartier
and the illustrious Tache to do her
duty on Nov. 3. You can depend on
the west doing hers."

Others Also Spoke.

Speeches were also delivered by F.
D. Monk, L. T. Marechal, Campbell,
Lane, the candidate in St. Lawrence
and others.

Mr. Borden will speak in Quebec on
Monday evening, at Three Rivers
Tuesday afternoon, at Sherbrooke
on Wednesday evening, Woodstock,
N.B., on Thursday, St. John on
Saturday, at Moncton, N.B., on
Monday. The leader will also speak
in Halifax, Oct. 27.

Roosevelt Issues Orders.

New York, Oct. 12.—The report of
the Gen. Slocum Commission was
made public yesterday. In connection
with the important findings of the
Commission, presented in the re-
port, President Roosevelt, to whom
the report was submitted, has writ-
ten a letter to Secretary McCall of
the Department of Commerce and
Labor, briefly summarizing the re-
port and directing him to carry into
effect the recommendations of the
Commission. He also directs that
Robert S. Rodie, supervising in-
spector of the second district steam-
boat inspection service, and James
A. Dumont and Thomas H. Barrett,
local inspectors, in charge of the
port of New York, be discharged
from the service, the Commission
holding them directly responsible for
the laxity of the steamboat inspec-
tion to which the Slocum disaster
was directly attributable.

Toronto Men Losers.

London, Oct. 17.—The Battle Creek
Health Food Co.'s factory, situated in
the east end of the city, was al-
most completely destroyed by fire at
an early hour Saturday morning. The
loss is estimated at about \$7,000,
fully insured. T. H. Robinson sold
the factory about six months ago to
Messrs. Van Ostrand, Powell and
Currie of Toronto.

Sent to a Commission.

Winnipeg, Oct. 17.—It is under-
stood that the Government con-
templates appointing a commission of
judges to deal with the charges made
by Melvin Bartlett against Mr. Mc-
Kellar, Deputy Minister of Agricul-
ture. Bartlett comes up for sentence
on Monday, but it is not improbable
that another remand will be asked
for.

Treatment of Piles

Permanence of Cure the True Test.

Many so-called pile remedies will
afford the user slight temporary re-
lief, and the majority of those af-
fected do not expect more than this.
The average sufferer, after having
tried every preparation recommended
for the cure of piles, comes to the
conclusion that there is no cure ex-
cept by an operation, and rather than
undergo this "last resort" he suffers
on, resigned to the situation, so far
as may be. The attention of those in-
terested is invited to the following
experience.

"After ten years of suffering from
blind, bleeding and protruding piles,
and after using every remedy I could
hear of without any benefit, I finally
bought a fifty cent box of Pyra-
mid Pile Cure, and used it with such
good results I bought next a dollar
box, which finished up the job. That
was nearly six years ago, and as far
as piles are concerned I am cured,
and have never felt a symptom of
them since."

"Many others have used this reme-
dy by my advice, with the same re-
sults, and I always recommend it to
sufferers with piles." C. H. Potts,
Burlington, Kans.

Testimony like this should convince
the most skeptical the Pyramid Pile
Cure not only cures, but cures to
supersaturate. It is in the form of a
suppository, can be applied in the
privacy of the home, directly to the
parts affected, and does its work
quickly and painlessly.

Druggists generally sell this famous
remedy for fifty cents a package and
retailers are urged to buy a package
now and give a trial to-night.

Accept no substitutes.
A little book describing the causes
and cure of piles is published by the
Pyramid Drug Co., Marshall, Mich.,
and same will be sent free to any
address for the asking.

O'BRIEN TO IRISHMEN.

He Says They Behaved Foolishly in Last
Parliament.

Cork, Oct. 17.—Addressing a mon-
strous meeting here yesterday, William
O'Brien declared that home rule was
in the offing since what was believed
the Dunraven scheme of an Irish fi-
nancial commission had sympathy in
official quarters, but the foolish con-
duct of the Irish party in fighting
Chief Secretary Wyndham, the Lord
Lieutenant, and Anthony MacDonnell,
Under Secretary to the Lord Lieuten-
ant of Ireland, who were pledged to
conciliation, threatened to spoil all.
It was not surprising that Wyndham
repudiated the Dunraven scheme, for
no man trusts his political reputa-
tion in the hands of men who be-
haved so foolishly as did the Irish mem-
bers in the last session of Parlia-
ment.

THE DOCTOR SAID

THAT HE MUST DIE

But Dodd's Kidney Pills Cured
J. J. Perkins.

He Was Unable to Work, and Be-
coming Destitute, Before He Used
The Great Canadian Kidney Remedy

Tyndall, Man., Oct. 17.—(Special).—
Unable to work because of Kidney
Disease, pronounced incurable by the
doctors, and fast becoming destitute,
Mr. J. J. Perkins, of this place, found
new life and health in Dodd's Kidney
Pills. In his gratitude he wants all
the world to know of his cure, and
that he owes it to Dodd's Kidney
Pills. Mr. Perkins says:
"After two years of Kidney Trou-
ble I got so bad the doctors said I
was incurable. I got still worse and
at times had such terrible pains in
my back and kidneys that I thought
I would die."

"I was unable to work and was
becoming destitute when a friend
persuaded me to try Dodd's Kidney
Pills. Five boxes cured me comple-
tely."

Reciprocity Silenced.

London, Oct. 17.—(C. A. P.).—Sir
Howard Vincent, M.P., writing to
The Morning Express, says the feel-
ing in Canada for American reciprocity
is almost wholly silenced by Mr.
Chamberlain's exertions to obtain
the authority from the people to
legislate for the encouragement of
British industries, but it is certain
if the people of the mother country
turn away from the overtures and
silly acts of the colonies in their
commercial favor, influences will soon
be to work to show there is a people
equally related to them in blood
who have already provided by law
for such a contingency and whose ex-
ecutive will be ready to do what
Britain blindly refuses.

TONSILITIS IS GOING AROUND.

And everybody is wondering what
to do. Here is a simple cure. Use
a gargle of Nervilleine and water as
recommended in the directions, and
rub your throat and chest vigorously
with Nervilleine. This has been tested
and proved successful a thousand
times. Nervilleine is a specific for ton-
silitis and in fact we know of nothing
half so good for breaking up colds,
curing tight chest and all men-
strual pains. Try a bottle of Ner-
villeine; price 25c.

CHESTNUT SIZE.

Here's another alleged humorous
article about coal by that funny man,
said the editor's assistant.
Shall I use it?

What is the size of it? then asked
the editor.
Oh! chestnut size, of course.

Lever's Y-Z (Wise Head) Disinfectant Soap
Powder is a boon to any home. It disin-
fects and cleans at the same time.

Rest is the sweet sauce of labor.

SHOT BY HIS COMRADE

Whole Charge of Gun Lodged in
Hammond Dodds' Brain.

Had Hunting Accident On Saturday At
Alton in Caledon Township By Which
a Young Man of Exceptional Character
Loses His Life—Companion's Gun Was
At Half-Cock and Trigger Caught in
Brush.

Alton, Oct. 17.—Hammond Dodds,
of Alton, a young man about 22
years of age, was accidentally shot
while out hunting Saturday after-
noon. One of his comrades was
passing through some bushes with
his gun at half-cock and the barrel
pointing backward, when some
branches caught the trigger, and the
whole charge was lodged in the brain
of the unfortunate young man, who
was only a few feet in the rear. Medi-
cal aid was summoned, but he died
while he was being brought home.
The deceased was a young man of
exceptional character, much respected
in the community, and sympathy for
the bereaved friends is expressed on
all sides. Alton is in Cardwell town-
ship of Caledon.

Drowned At Lindsay.

Lindsay, Oct. 17.—Napoleon Duault,
aged 55, a laborer, was drowned
Saturday at noon. He was fishing
and evidently met with an accident
and fell out of his canoe to death.
This is the third drowning this year
here.

Killed By a Train.

Fort William, Oct. 17.—While try-
ing to mount the tender of a moving
engine John Hammond Saturday
morning slipped and fell and was lit-
erally cut to pieces, in the west end
of the Canadian Northern yards. De-
ceased was unmarried.

Ten Year Old Cremated.

Marmora, Oct. 17.—A little boy, 10
years old, the son of William Jones,
at Deloro Mines, was burned to
death Saturday forenoon in his father's
cries, made frantic efforts to get the
little fellow out, but could not. It
is supposed he was playing with
matches and set fire to the hay. The
barn was burned.

Dies At Napanee.

Napanee, Oct. 17.—Thomas Ander-
son, aged 60, died at the Campbell
House here yesterday morning. De-
ceased was burned and bruised by an
explosion which occurred in the
Campbell House a week ago by a
gas plant. Mr. Anderson had been
employed in the Campbell House for
over twenty years and was popular
with the traveling public.

DAUPHIN ELECTION NOV. 14.

Conservatives See a Trick—Richardson
Attacks Mr. Sifton.

Winnipeg, Man., Oct. 17.—The
write for the constituency of Dauphin
provide for the election on Nov. 14.
Dauphin is the most northerly of the
Manitoba ridings and Liberals
claim that this course is necessary in
order to reach the sub-divisions.
Conservatives, however, say the
election has been postponed in order
to give the Liberal machine a chance
to get in some of its fine work, as
Glen Campbell, the Conservative
candidate, is very popular in the rid-
ing and has already thoroughly cov-
ered the ground, and would have a
practical walk-over if the elections
were held on Nov. 3.

Richardson received a great
reception in Brandon last night,
when he made a rattling speech in
favor of Government ownership, of
which he declares himself the cham-
pion in the West. He attacked Hon.
Clifford Sifton bitterly on personal
grounding, accusing him of systematic
boodling.

The election in Brandon promises
to be a spirited contest.

POLITICAL POINTERS.

Mayor M. K. Halloran Saturday
night accepted the nomination of the
labor party in Brantford.

Hon. John Haggart was again no-
minated by the Conservatives of
South Lanark at Perth Saturday.

J. E. Seagram was re-nominated
by North Waterloo Conservatives on
Saturday at Berlin. No other name
was mentioned.

Conservative convention at Yar-
mouth, N.S., on Saturday nominated
Thomas E. Corning as their candi-
date in Yarmouth for the Dominion
House.

Sir Wilfrid Laurier was given a cor-
dial reception at Chatham on Sat-
urday night, when the Premier's ad-
dress was his declaration that pro-
hibition was not a Dominion issue.

The Liberal-Conservatives of North
York met in convention at New-
market Saturday to nominate a can-
didate to contest North York in the
approaching Federal election. There
were several nominees but they all
retired in favor of Frank Roche who
was unanimously tendered the nom-
ination.

Several candidates were nominated
in South Toronto Liberal Con-
vention Saturday night, but only three
went to the ballot. These were
Messrs. H. H. Dewar, J. J. Ward
and W. J. T. Lee. Mr. Dewar's
nomination was made unanimous, on
motion of the last two named. Mr.
Dewar got 159 votes against 158
for the other candidates on the first
ballot.

May Not Survive Night.

London, Oct. 17.—There has been
no change in the condition of Rev. M.
C. Baldwin, Bishop of Huron. It is
thought by attending physicians he
is holding his own, but is very low,
and grave doubts as to his survival were
entertained for his surviving "the
night. He has been unconscious since
Friday morning.

Imposed Heavy Fine.

Woodstock, Oct. 17.—John Koch,
hotel-keeper, of Drumbo, was fined
\$50 and costs by Magistrate Ball in
the police court Friday night for
selling liquor without a license.

SUNLIGHT SOAP

Household utensils can be made to look as good as new by washing in a
sunny solution of Sunlight Soap. They will shine and glitter thus helping to
make the home bright and inviting.
Sunlight Soap means less than half the labor required in washing with com-
mon soap—and makes everything spotlessly clean.
Sunlight Soap is made of pure oils and fats, contains no ingredient injurious
to the hands or clothing.
