

Don't Miss It!

It betwixt and between seasons. It's the time when the Progressive Clothing House cuts down prices in order to reduce stock. When we cut prices we do it radically—no half-way measures here.

Men's, Boys' and Children's Clothing of all sorts, Underwear, Toques, Caps all come under the axe—prices almost cut in two. The investment will be better than putting your money in a savings bank. No "make-believes" or "tricks"—just a plain, fair and square reduction.

To BE DYSPEPTIC IS TO BE MISERABLE

Hopeless, Confused and Depressed in Mind. Forgetful, Irresolute, Drowsy, Languid and Useless.

This disease assumes so many forms that there is scarcely a complaint which it may not resemble in one way or another. Among the most prominent symptoms are constipation, sour stomach, variable appetite, heartburn, water-brash, gas in the stomach and bowels, distress after eating, etc.

BURDOCK BLOOD BITTERS

It is a positive cure for dyspepsia, and all diseases of the stomach, liver, bowels or blood. It stimulates secretion of the saliva and gastric juices to facilitate digestion, removes acidity, purifies the blood and tones the entire system to full health and vigor.

Mrs. M. A. McNeil, Brook Village, N.S., writes: "I suffered from dyspepsia, loss of appetite and bad blood. I tried everything I could get but to no purpose; then finally started to use Burdock Blood Bitters. From the first day I felt the good effects of the medicine. I can eat anything now without any ill after effects and am strong and well again."

Price \$1.00 per bottle or 6 bottles for \$5.00.

MIXED UP

Little Flosie—Say, papa, you got things mixed up at Miss Perth's Oldham's funeral, didn't you?
Parson—In what way, my dear?
Little Flosie—Well, you said she had gone to her eternal rest, then you spoke of her having joined the heavenly choir.

NO DIFFERENCE

No distinction is made as to the kind of Piles that Dr. Leonhardt's Hem-Roid cures.
The names Internal, External, Bleeding, Blind, Itching, Suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by congestion or stagnation of blood in the lower bowel, and it takes an internal remedy to remove the cause.
Dr. Leonhardt's Hem-Roid is a tablet taken internally.

It is a permanent cure and no case of Piles has ever been found to fail. A guarantee with every package to cure. Money back if it does. Wilson-Fyle Co., Limited, Niagara Falls, Ont.

NOT SO KEEN

I thought the author of this play was famous for his keen understanding of the female character.
Well, do you doubt it?
Of course. He has just made his heroine say that she will suffer in silence.

SUCCESSFUL YEAR'S WORK

Excellent Reports At Annual Meeting Of First Church Presbyterian

WORK OF LADIES' AID

The annual meeting of the congregation of the First Presbyterian Church, last night, was not very largely attended, but the gathering was quite representative. Rev. A. H. MacGillivray occupied the chair during the evening, and he opened the meeting with prayer.

The various reports read showed the finances of the church to be in a better state than they have ever been in any previous year, though it was remarked that the schemes of the church need some attention. This department of the work will be somewhat changed during the year. The members of the Ladies' Aid Society were the recipients of a number of compliments. They have a surplus this year of \$50.10.

The report of the Session was the first read. It showed that during the year 40 new members were added to the roll—28 by certificate and 11 by profession of faith. Three members had removed during the year. The number baptized was 10, and the total membership stood at 500.

On motion of Messrs. Robertson and Farquharson, the report of the Session was adopted.

The financial statement, which was read by Secretary McKend, showed that the receipts this year amounted to \$3,750.66 as against \$3,590.04, which was the amount of the receipts of 1905. The receipts for 1906 are thus over \$160 in excess of those of 1905. The disbursements for the year just passed amounted to \$3,272.63, which amount is about \$90 less than the disbursements of 1905. The surplus for 1906 is \$177.47, which when deducted from the \$503.45, overdraft of 1905, leaves an overdraft this year of \$325.98.

The report on the building fund showed that the balance in the bank at the beginning of 1906 was \$377.39. The balance on hand this year is \$165.36. The mortgage on the church has been reduced to \$7,350.

Both the financial and the Building reports were, on motion, adopted.

The Sunday School report, read by Mr. Ward, showed the number on the rolls to be 233, the average attendance during the year was 139, and the total amount of offerings during the year was \$487.28.

On motion of Mr. Ward and Mr. Farquharson, this report was adopted.

The Sunday School Treasurer's report, which was also adopted, showed that the receipts and disbursements tally at \$223.43.

The Oliver Mission Band's report stated that this organization had held 10 meetings during the year, and that the average attendance at these meetings was 15. The free will offerings during the year amounted to \$131.41. The Band have a surplus amounting to about \$12.

Messrs. Hall and Campbell moved that this report be adopted.—Carried.

The Ladies' Aid Society reported that they have held 11 meetings during the year, with an average attendance of 19 members. Five new members have been added to the society since last year. The receipts for the year amounted to \$645.23, and the society has a surplus amounting to \$50.10.

This report was adopted, on motion of Messrs. Campbell and McKay. It was moved by Messrs. Philimore and Farquharson, that two quarterly systems of envelope collections be adopted instead of the system now in use, the systems to be distinctly separate—one for the schemes of the church, and the other for maintenance, etc.—Carried.

The old officers were re-elected for the ensuing year, with the exception of the managers. The managers for 1907 are Messrs. Farquharson, McDougall, Thomas Campbell and Will Foreman. Mr. Ward's name was added to the list of ushers, and the names of Messrs. McCole and McDougall were added to the list of plate collectors.

It was moved by Mr. Robertson, seconded by Mr. Rankin, that the Board of Management be empowered to try a sample of prism glass in the windows of the Sunday School room, and if this works satisfactorily that prism glass be put in all the windows of this department, as the lighting there at present is very unsatisfactory.—Carried.

Votes of thanks were passed to the retiring officers, to the choir, to the flower committee, to the lady collectors, and to the members of the Ladies' Aid.

In moving the vote of thanks to the choir, Mr. Philimore made special mention of the good work of both the paid and unpaid members of the choir during the year just passed. He said that all had acquitted themselves well, and the musical services during the year had been very satisfactory indeed. His motion was seconded by Mr. Will Foreman.

Petrolea, Jan. 16.—The mayor has issued a proclamation calling for nominations on Monday next to fill the four vacancies at the council. The appointment of a committee to strike standing committees was left over until the vacant seats are filled.

WILL VACCINATE

Vaccination of the pupils at the city schools commences at three o'clock this afternoon.

The Health Department announced this morning that two physicians had been appointed to carry on the work of vaccination at each of the schools. All who have not undergone the treatment within the specified time will have to undergo the treatment, and there will be no excuse for anyone refusing. Those who cannot afford to have the work done by their family physician, will be asked to allow their children to undergo the treatment by the physicians appointed by the city.

The cost of vaccination will be the small sum of twenty-five cents for each child. The physicians appointed to do the work at the three city schools are, Central School, Drs. Charteris and Bray; McKeough School, Drs. McKeough and Fleming; Separate School, Drs. Sullivan and King-ley Holmes.
