### PORT WILLIAMS HAPPENINGS

We are glad to report Marguerite Taylor has quite recovered from her attack of pneumonia.

Helen Forsythe is also convalescent from her attack of diphtheria.

On Monday evening the "Lily of the Valley" Division No. 440, tendered a banquet to one of its members, Mr. H. R. Holding, who is leaving next week for Vancouver. Mr. Holding has been a valued member of this Division for more than three years, and in his going away the Division loses one of its staunch supporters, and also one of its willing workers.

Mrs. A. W. Coulstan entertained the W. M. A. S. at her home on Main street Wednesday afternoon. After the meeting was finished, a very dainty luncheon was served by the hostess and a social half hour enjoyed by all.

The bus service from Wolfville to Kentville via Port Williams, which has started again this week, is welcomed by many who have already taken advantage of its convenience.

On Wednesday evening, in the vestry of the Baptist Church, a social was held in honor of Mr. H. R. Holding, who is soon leaving for Vancouver. The entertainment consisted of vocal, piano and violin solos; readings, and a L. dies Quartette. At the close of the program Rev. O. N. Chipman in well chosen words presented Mr. Holding with an address accompanied by an "Autographic Kodak" in behalf of the Sunday School, of which he has been a valued helper during his more than three years stay in the community. His departure will be keenly felt by many, for Mr. Holding was always ready to lend a helping hand to anything that was for the betterment of things in general, and was a splendid example to the young men, and boys, of Port Williams in his willingness to serve.

Mrs. Ghent left on April 23 for Saskatoon to visit her daughter there.

### GRAND PRE WOMEN'S INSTITUTE

On Friday, May 4, the Grand Pre Women's Institute met at the home of Mrs. Louisa Bishop. The business of the meeting was devoted chiefly to an interesting discussion of Health and Child Welfare. The program was to be provided by the teachers in the Institute district but owing to the inclemency of the weather the teachers in the outlying communities were unable to attend. Miss MacCrae sang a solo and an encore. Miss Whitman read the opening ode. Miss Whitman's class of girls sang some Spring songs and two little boys whistled the Mocking Bird which was much appreciated.

The June meeting will be at the home of Mrs. James Woodman.

During the past month our Institute has banked, clear of expenses, one hundred dollars and fifty cents, receipts of the play "Sophronia's Wedding". The proceeds from the Parish Hall presentation went to the Children's Aid. Avonport and Port Williams each received a share of the proceeds taken in the community.

### GREENWICH NEWS

The friends in this place of Mr. Harlan Forsythe, of Wolfville, a former Greenwich boy, a son of Mr. and Mrs. Lewis Forsythe, were very sorry to hear of his bad accident, at his home last Tuesday, being badly hurt internally and head cut, when up on a high ladder, which broke, Mr. Forsythe, of course, falling to the ground. Men carried him into the house and Dr. Grant was immediately summoned and did all that could be done for him. At time of writing we hear he is improving slowly. Mr. Forsythe is always a busy man and this means at this season of the year, a bad thing for him with his work.

Mr. Leslie Bishop spent a few days last week in Halifax.

A good number of the men of the dyke owners, etc., spent last Wednesday forenoon at work repairing a place in the running dyke. Also on many days since crowds of men have been working at places on the dyke repairing it.

Mr. and Mrs. George Bishop visited relatives in Woodville last Friday.

Miss Elsie Piper went to Kentville Friday evening, returning Saturday afternoon, accompanied by little Miss Lovell Winchester, who spent the weekend with Miss Piper.

A few from here attended the Acadia May Festival evenings last week in Wolfville, Mr. Robert Bishop, one of our boys, being a member of the orchestra. A good number enjoyed "Elijah" on Friday evening.

Mr. Ernest Johnson is one of the arbitrators appointed to settle for the three heirs, the estate of the late Sir Frederick Borden, of Canning.

Miss Eva Eagles, of Highbury, is a guest at the home of Mr. and Mrs. Dexter Forsythe.

Mr. Harold Schofield and family have moved from Mr. Dexter Forsythe's tenement house to Mr. Hazen Bishop's

little house on the "Ridge Road". We understand Mr. Orr, who purchased a property and residence from Mr. Dexter Forsythe will occupy the house vacated by Mr. Schofield, until Mr. Forsythe gets his new one built.

Miss Joyce Harvey, of Kentville school staff, spent the week end at her home here.

Mrs. John Fenwick, of Wolfville, spent Sunday at the home of Mr. and Mrs. Andrew Fenwick.

A good number from here attended service at Port Williams on Sunday evening.

The painters and paper hangers are still at work on the residence lately owned by Mrs. Emma Harvey, and Mr. and Mrs. Fenwick have not moved in yet, as stated in items of Port Williams.

The many friends in this place of Rev. and Mrs. F. H. Beals, lately of Bedford, formerly of the Canard and Port Williams Baptist churches, will be interested to know they are now going to live in Wolfville, Mr. Beals having had to resign from Bedford church owing to his health. They have many true friends in this place who are interested in them.

Our teacher and pupils celebrated "Arbour Day" on Monday and thoroughly enjoyed the time, in making a general clean up and a good time generally, as well as profitable.

Do you want to help advertise Wolfville? The Board of Trade has had prepared a thousand copies of an illustrated pamphlet entitled "Wolfville, Nova Scotia, The Ideal Vacation Land". Any one wishing to procure copies to send to their friends in the other provinces and the United States can get them by applying at THE ACADIAN office. Each copy is enclosed in an envelope ready for mailing. Do your bit to help in their distribution.

Misses Winnifred and Evejyn Eaton, daughters of Mr. Albert Eaton, Lower Canard, will occupy a bungalow near by.

Miss Martha Clark and Dr. Zella Clarke, sisters of Mrs. (Rev.) A. J. Prosser, formerly of Upper Canard, and Mr. and Mrs. Gullison are carrying on the work. Dr. Zella Clarke reports the arrival of the Ford car donated by the W. B. M. U. which is proving invaluable in the missionary field.

### Why A Woman Needs A Bank Book

EVERY woman has some little plan of things she will buy when she has saved enough money. Loose cash kept in your purse soon goes—it tempts you to spend.

To save your money for the things you want to buy, you should keep it where it cannot tempt you. Money can be saved more surely and quicker in a Savings Account than by keeping it at home or in your pocket.
