

Distribution of Seed Grain and Potatoes

(Continued from 1st page)

barley, Indian corn, or potatoes. Applications on printed cards or sheets, or lists of names from one individual, or applications for more than one sample for one household, cannot be entertained. The samples will be sent free of charge through the mail.

Applications should be addressed to the Director of the Experimental Farms, Ottawa, and may be sent in any time from the first of December to the 15th of February, after which the lists will be closed, so that the samples asked for may be sent out in good time for sowing. Applicants should mention the variety they prefer, with a second sort as an alternative. Applications will be filled in the order in which they are received, so long as the supply of seed lasts. Farmers are advised to apply early to avoid possible disappointment. Those applying for Indian corn or potatoes should bear in mind that corn is not usually distributed until April, and that potatoes cannot be mailed until danger from frost in transit is over. No postage is required on mail matter addressed to the Central Experimental Farm, Ottawa.

Wm. Saunders,
Director of Experimental Farms.

The Alberta government has
been strengthened by giving
postfolios to two newspaper men.
They were probably selected be-
cause of their ability to take all
the abuse the opposition could
hurl at the government.

Canadian prosperity during
the last ten years has been great-
er than the prosperity of any
other country in the world except
Argentina, and if Alberta trade
returns were only published all
by their lonesome, we would
show Argentina what a country
looks like which is twice as pros-
perous as Argentina is.--Calgary
