HOLD YOUR CALENDAR ORDERS

The Observer Ltd. is showing per-
haps the most extensive and varied
line of 1923 calendar samples in Can-
ada and the merchants of the upper
St. John Valley in particular really
owe it to themselves and to The Ob-
server to withhold ordering until they
have had an opportunity to see this
really remarkable line. Our traveller,
G. P. Black, is doing the larger cities
at the present time and will not cover
the Valley territory for a few weeks
simply for the fact that we feel rather
certain that business is going to im-
prove as spring advances and sales
are going to be easier. There have
been many calendar travellers over
this territory since the first of Decem-
ber, but merchants have not yet seen
the best that is offering either in va-
riety or price. Nothing can be gained
by ordering too soon, and it is a fact
that the tendency of the prices is
downward. Those who have been in
a hurry to place their orders will dis-

cover that they made a mistake. Look
for the coming of Mr. Black and The
Observer samples.

PLACE YOUR FERTILIZER ORDERS WITH US EARLY

Now is the time to act, right now, today. Do not put off from
day to day in placing your orders. It will mean trouble for you
later on, when you see the snow roads making away with the March
winds and April suns.

We wish to impress upon the farmer the absolute necessity of
placing his order with us for chemicals at the earliest possible oppor-
tunity to avoid delay and disappointment from freight traffic conges-
tion and other causes.

What the Use of Our Chemicals Means to the Farmer

The use of our HOME MIXED FERTILIZER results in a saving
of from 25 to 35 per cent in the cost of the materials and possesses the
additional advantage of enabling the farmer to prepare his mixtures
in such quantities and proportions as the occasion demands.

The following testimonial is one of many on our files:

Feb. 11, 1922.

I raised from twenty acres and twenty ten fertilizer, HOME
MIXED bought from you, twenty five hundred barrels of good potatoes.
EDWIN W. MELVILLE.

Call at our office and we will be pleased to discuss these matters
further. Out of town prospective buyers write.
